THE BUNCH FAMILY OF VIRGINIA

Compiled by Richard Haney Bunch, Chicago, Ill., and Tilghman H. Bunch, Washington, D.C, 1938; additions by Geneva King, Nowata, Okla., 1960.

I am informed that the Bunch family was first known in Flanders and migrated to Scotland during religious uprisings and were known to have lived there for 400 years. The earliest record of the family in America is that of a JOHN BUNCH who came to Virginia about 1652. Due to the destruction of public records of that part of Va. successively known as York, New Kent, Hanover and Louisa Counties, where records were destroyed during the Civil War, I have been unable to trace the family between 1651 and 1742.

Richard H. Bunch, 1938.

1652	John Bunch came to Virginia.
1662	John Bunch granted 450 acres of land in New Kent County, Va.
1665	William Bunch came to Virginia prior to this date.
1722	John Bunch, Jr., granted 400 acres of land in Hanover County in what is now Fredericksville Parish, Louisa County, Va.
1724	Paul Bunch granted 400 acres of land in Hanover County, Va.
1725	John Bunch granted 400 acres of land in Hanover County, Va.
1728	John Bunch granted 400 acres of land in Hanover County, Va.
1738	William Bunch granted 400 acres of land in Hanover County.
1741	Rebecca Bunch granted 400 acres of land in Goochland County.
1767	Samuel Bunch granted 400 acres of land in Louisa County.

1730 William & John Bunch of Hanover County killed 2 wolves in Goochland County.

LEGEND

There is an old tradition in East Tennessee that the first Bunch in this country was a ship-wrecked lad on the coast of Virginia. In his teens he joined a party to recover some prisoners and property taken by the Indians. Getting ahead of the Indians they concealed themselves behind som elogs. The Captain ordered them to fire as the Indians were straggling along. Bunch waved his hand and said, "Wait, and let's bunch them". Finally, when the Indians got together they fired, large numbers were killed and the prisoners recovered. There are several versions of this, and in one it is said that the first Bunch in the present East Tennessee was a ship-wrecked youngster, another has it that the first Bunch came over at the age of 17. Unless my recollection of history is wrong, there was no "Tennessee" until at least 100 years after the John Bunch came to New Kent County in Virginia.

-- Richard H. Bunch, 1938.

THE BUNCH FAMILY OF VIRGINIA

JOHN BUNCH, first of the family in America, came about 1652. On March 18, 1662, he was granted 450 acres of land in what was then New Kent County, Virginia. He may have been the lad mentioned in the old family legend (Page 1). Possible sons (no proof):

1. Paul Bunch, mentioned in King William County rent roll in 1704; inSt. Paul's Vestry Book in 1711, 1715, 1721. Patented 400 acres of land in 1724 in Hanover County. May possibly have been the same Paul Bunch who died and left a will dated 1726 in Chowan County, N.C., and named a son, John Bunch. No further record.

2. John Bunch, mentioned in New Kent County rent roll in 1704 in Parish of St. Peter and St. Paul - Plantation of Colonial Virginia, Lands held by her Majesty. Also mentioned in St. Pauls Vestry Book in 1719, & 1721.

JOHN BUNCH, II, son of John Bunch, I, if our supposition is correct, since John Bunch, Jr., would possibly be a grandson of the first John Bunch. Nothing known of him except that mentioned above. Children:

He died in what is now Louisa Co. prior to 1742 and in a deed dated March 14, 1742, left 400 acres of land to 5 sons: John, William, Henry, David and James. Forewood and four pages of a manuscript record of the Bunch family being compiled by Mrs. Alice M. Park, of 4200 Cathedral Avenue N.W., Washington, D.C. 20016. Mostly descendants of Jesse Bunch who came early to Missouri.

FOREWORD

Mr. Richard Haney Bunch, (1865-1964) of Chicago, made the study of his family history his project for many years. He mimeographed in 1938, *The Bunch Family of Virginia*, which we may use by the kind permission of his daughter, Miss Alm Bunch, 818 Washington Blvd., Oak Park, Ill., 60302.

What he learned about the earliest generations he freely shared with other searchers, carrying on a voluminous correspondence. One of his correspondents was Mrs. Garland B. King, Nowata, Okla., who has been equally generous with both her time and her records. Mr. John A. Bunch, Joplin, Mo., who is greatly interested in the family history, attended a Bunch family gathering in Ark. where he met Mrs. King, and was given information she had on his branch. It was our good fortune that when we wrote, asking Mr. Bunch about his branch, he gave us Mrs. King's name and address, and offerred all that he had accumulated for us to copy, including his treasure - the old, water-stained, almost illegible little record book that had belonged to our ancestor, Jesse Bunch - the 1st entry, 1818.

Thanks to Mrs. King and Miss Alma Bunch we have copies of the correspondence Mr. R. H. Bunch had with Mr. Washington Irving Bunch of Osceola, Mo., in 1941; the latter is the uncle of Mr. John A. Bunch, both descendants of Jesse Bunch. Mr. R. H. Bunch was able to trace the connection between Jesse, who died in Henry Co., Mo., and the Bunch family in Louisa Co., Va., to which Jesse belonged.

The Bible which belonged to Jesse's grandfather, David Bunch (1772-1776) has the records of David's descendants, including Jesse, born 1773. The Bible now belongs to Mr. John Charles Bunch, Sr., Asheboro, N.C., and we have copies of the records it contains through the thoughtfulness and kindness of Mr. Edward J. Bunch, compiler of *The Bunch Family* in 1966 (supplement 1970). Included in the book is a large family chart, carrying down chiefly his own branch, and also giving the early generations. Copies of his book are in the genealogical

section of the State Libraries in Raleigh, N.C., Richmond, Va., Des Moines, Iowa; the Library of the State Historical Society of Missouri, Columbia, Mo; the Newberry Library, Chicago; the Genealogical Society of the Church of Jesus Christ of Latter-day Saints, Salt Lake City, Utah; and the public libraries of Asheboro and Greensboro, N.C.

DeWitt Bunch, 35 Court St., Buffalo, N.Y. has also been working on the family, and published for a time The Bunch Family Record. Since we have not been able to find out the reasons for his changes in the order of birth of David Bunch (1722-1776) and his brothers, we are keeping the order used by Mr. R. H. Bunch.

We have found in the records of Louisa Co. at Louisa, Va. several small pieces of information, which we have added, but our particular contribution is the compilation of records for the descendants of Jesse Bunch. These records have been compiled with the dedicated help of Eathel Jones, Edna Jones Allen, Margaret Beversten, Tad Bunch and Jonas Jones, all of St. Clair, Co, Mo. All records of descendants of the children of Wm. Maloy Bunch are from Mr. John A. Bunch, Joplin, Mo. Many others, who have helped us are identified in the following pages.

We regret that we could not undertake the task that should be done: the study of the court records not only for Louisa, but for Goochland, Fluvanna and Albemarle Counties -- which we hope will some day be done.

BUNCH

OF VIRGINIA

1. JOHN^1 BUNCH came to Virginia ~~ca 1652;~~ before 1656[a] if 17, as one tradition goes, then he was b. ca 1635; he was assigned 450 acres[b] in New Kent Co.,[c] Va. 18 March 1662; if 21 at that time, then ~~was~~ he was b. ca 1641 - so we take it his birth date was ca 1634-41. This John^1 is listed by DeWitt Bunch as "(a) John". If he was 25 when he married - a usual way for figuring ages - he married ca 1660-65.

There is an old tradition in East Tennessee[d] that the first Bunch in this country was "a ship-wrecked lad on the coast of Virginia". In his teens he went along with a party intent on recovering prisoners and property held by the Indians, and it was by using the boy's strategy that they succeeded. There are several versions of the story; one has it that the first Bunch came to America at the age of 17.

Bunch).

On 18 Feb. 1722 "John Bunch Jr." patented[i] 400 acres "on upper side of Taylor's Creek" in (then Hanover Co.) Louisa Co., Fredericksville Parish. This land grant was referred to in a deed[g] concering the inheritance of the sons of John^3 ("deceased", whose will was mentioned. In the will, son John^4 was left the plantation and 100 acres, the rest divided equally between "his sons" Wm.^{4}, Henry^4, David^4, and James^4. The will itself has not been found - it was no doubt recorded in Hanover Co., where records were destroyed during the Civil War.

John^3 Jr. had ISSUE, BUNCH: (as named in the deed[g] and in John^4's will[j].)

4. John^4, b. ca 1715? d. Louisa C., Va. 1777, leaving will dated 8 June 1774, proved 18 Jan 1777;[j] he inherited from his father the home plantation and 100 acres in Louisa Co.[g] On 14 March 1742 he bought 120 acres they had inherited from his brothers, Wm. and Henry.[g] In his will, he mentioned sister Lucresea^4 MEREDITH; Nancy^5 dau. of William^4 Bunch, (his niece), and brothers Samuel^4, David^4 and James^4. The other brother, Henry^4 had left Louisa, and was in Bedford Co., before 1754. (See p.3).

f. This date is guesswork: John^3 was at least 21 when he patented 400 acres in 1722, so he was b. by 1701; however, his son David was b. 1722,[h] and is listed as the 4th son - if the oldest son was b. 1716, John^3 was m. ca 1715, and if 25 at that time, he was b. ca 1690 or before.

"Henry Bunch" was in the records of Bedford Co., Va. beginning in 1754;[k] in 1764 a deed there records the sale of land by "Henry Bunch and wife Ann."[k] Henry seems to have been the only Bunch in Bedford Co. until his brother James arrived ca 1789, and since James named his chn. in his will the other younger Bunches from this area, who settled in Mercer Co., Ky., are presumed to be chn of Henry.[k] The following list is from Mrs. King, with additional information from Bunch Family Record.[1]

Henry 4 had ISSUE, BUNCH:

David's wife was referred to as "Polly Sen." by son Anthony;[u] (Paul's wife would have been Polly Jr.). Dau Winnie at her marriage was "dau of Polly".[o]

David~~s~~ disposed of 386 acres in his will, and he and Mary had sold 100 acres in 1774[v], but we found no record of his acquiring this land.

(David's will specified that none of the children except Joseph should have the legacies "till after the death of my wife, Mary Bunch"; none except Joseph should "sell or lease any of my lands tillmy youngest son comes of age").

David was actually born in Hanover Co., in the western part that was set off in 1742 as Louisa Co; his father's will was undoubtedly recorded in Hanover, as he died about the time of the partition.

David's wife was referred to as "Polly Sen." by son Anthony;[p] (brother Paul's wife was also Polly). Dau. Willie at her marriage[q] was "dau of Polly".

David disposed of 386 acres in his will, and he and Mary had sole 100 acres in 1774[r] but we found no record of his acquiring this land. (He had inherited 60 acres from his father).

David 4 had ISSUE, BUNCH: (from his Bible;[h] all b. Louisa Co., Va.)

9. **SAMUEL^{4} BUNCH** "the Quaker" (John 3, John 2, John 1) b. Hanover (later Louisa) Co, Va. ca 1726? d. 1783;[cc] m. ca 1746/7 (possibly earlier)[z] Mary ?, who d. 1792.[z] Sanuel was not named as inheriting from his father, but he was named as a brother by #4 John, in his will.[j] (His father had probably made other arrangements for Samuel).

Samuel "and family" were rec'd in membership in 1748[z] by the Cedar Creek Monthly Meeting (Quaker), Hanover Co., Va. If the family consisted of only his wife and one child, b. ca 1748, he was m. ca1746/7 at the latest. In 1752 Samuel and Mary served on various committees,[k]. Samuel patented 400 acres ## in ### Louisa, 1767. (?) (that from R.H.Bunch)

We have approximate dates for birth of several of their nine children--no dates at all for John, Judith nor Ann.

Samuel 4 had ISSUE, BUNCH:

42. Rebecca 5 b. ca 1748 (if 16 when m.) m. 1765[z] ? Meredith,[cc] and was consequently "disowned" by the Cedar Creek MM for marrying "out of unity".[z] Rebecca was thus one of Samuel's "family" in 1748.

The next date we can arrive at is the birth of Samuel 5 Jr, ca 1759/60--some ten years after the birth of Rebecca. Some or all of the children for whom we have no dates must have been born in this 10-yr period:

43. James 5 b. ca 1750? The 1810 Cen. for Knox Co., Ky lists James Bunch b. 1764 or earlier.[dd]
44. John 5, b. ca 1752? Mrs. King thinks he may be the John who went early to Grainger Co., Tenn., and had 2 known sons: John and Samuel.[k]
45. Judith 5, b. ca 1754?--(?m. #26 David?)
46. Ann5, b. ca 1756?
47. Samuel 5 Jr., b. ca 1759-1760 if 18 or 19 in 1779, when he was "disowned" by Cedar Creek MM for "engaging in military service".[z]

In 1938 the book was in possession of Mrs. Jennie Taylor of Loveland, Colo -- her whereabouts not now known, but Mr. R.H. Legend

There is an old tradition in East Tennessee that the first Bunch in this country was a ship-wrecked lad on the coast of Virginia. In his teens he joined a party to recover some prisoners and property taken by the Indians. Getting ahead of the Indians they concealed themselves behind some logs. The Captain ordered them to fire as the Indians were straggling along. Bunch waved his hand and said, "Wait, and let's bunch them". Finally, when the Indians got together they fired, large numbers were killed and the prisoners recovered. There are several versions of this, and in one it is said that the first Bunch in the present East Tennessee was a ship-wrecked youngster, another has it that the first Bunch came over at the age of 17. Unless my recollection of history is wrong, there was no "Tennessee" until at least 100 years after John Bunch came to New Kent County in Virginia.

(a) JOHN BUNCH

Born: about 1634 (estimated) (came to US abt 1651, age 17?)
Mar: about 1660

Wife: In THE BUNCH FAMILY RECORD, Vol. 1, page 3, DeWitt Bunch gives the name of his wife as "Mary", but in question.

John Bunch appears to have been the first of the Bunch family to settle in America. The small amount of facts concerning him is as follows:

1651/2	John Bunch arrived in Lancaster Co., Va., about this date.
1654, June 6	John Bunch given a Court Order requiring him to show evidence of a Mr. Toby Horton loaning guns to the Indians. He failed to appear and was fined 200 lbs of tobacco. (Bunch Family Record, Vol. 1, page 3)
1656, Mch. 3	Mr. Gervase Dodson claiied 600 acres in Lancaster Co., Va. on land surveyed for Toby Horton, uponlands of John Taylor (deceased). Claimed transportation of 12 persons, one of whom was JOHN BUNCH. (Cavaliers & Pioneers, by Nugent, Vol. 1, page 343)
1662, Mch 18	John Bunch granted 450 acres in New Kent Co., Va. (Patent Book 5, page 152). Land on both sides of Rickahock Path, beg. by Burchen SW, running WNW &c to land of Mr. Rochard Barnehouse, thence ENE &c. Granted to Thomas Mereday 25 Feb 1658, by him sold to Phillip Freeman, who assigned to sd. Bunch. (Cavaliers & Pioneers, Vol. 1, page 470).

The following were probably the children of John Bunch:

(aa) John Bunch, see page 3

(ab) Paul Bunch

1704	Mentioned in King William Co., Va., Rent Roll (Va. Mag., Vol. 32, page 69)
1711, 1715, & 1721,	Mentioned in St. Paul's Vestry Book
1724	Granted 400 acres in Hanover County, Va.
1726	Will of a Paul Bunch probated 16 Nov. 1726, Chowan Co., N.C. Mentions a son, John Bunch (N.C. Hist & Gen Reg. V.1,p31)

For further information on Paul Bunch, see BUNCH FAMILY RECORD, Vol. 1, Chapter 3, pages 23-32, issue of March, 1965.

In addition to the above information, DeWitt Bunch, in THE BUNCH FAMILY RECORD, Vol. 1, page 23, Chapter 3, issue of March, 1965, says: "I do not know that John and Paul were the only children of John Bunch (a). On the passage list given, no wife was listed (for John), so I must assume that he married some time between his arrival and about 1660. Using this as an approximate date for the births of John (aa) and Paul (ab), we can make a rough estimation of their life span:

John (aa) died 75-85 years of age
Paul (ab) died 1726, 60-70 years of age".

(aa) JOHN BUNCH, JR. (son of John Bunch (a)

Born: About 1666 (Archives Record, LDS Library, Salt Lake)
Mar: (1) 16 Nov. 1691, in Henrico Co., Va., to Mrs. Temperance (____) Bates, the widow of Edward Bates (Archives Record, Salt Lake)
(2) ?Rebecca ______?
Died: Prior to 14 March 1742, probably in Hanover County, Virginia. (or perhaps in that part of Hanover Co. which became Louisa Co)

Due to the destruction of records in Hanover Co., a record of this family between 1651 and 1742 in mostly guesswork, but the following notes do exist:

1704 John Bunch on New Kent Co. Rent Roll, in Parish of St. Peters and St. Paul, lands held by Her Majesty. (Plantation of Colonial Virginia, by Thomas J. Wertenberger, pp 215-216).

1719)
1720) Mentioned in St. Pauls Vestry Book

1722 On Feb. 18 1722, John Bunch, Jr., was granted 400 acres of land in Hanover Co., Va., on the upper side of Taylors Creek. (This land was located in what was later Fredericksville Parish, Louisa Co., Va.)

1730 John and William Bunch killed two wolves in Goochland Co. But this John could have been John Bunch (aaa).

1742 On 14 Mch. 1742, a deed was recorded in Louisa Co., Va. (Deed Book A, Part 1, pp 48, 49, 50). John Bunch, Grantee, William and Henry Bunch, Grantors. Mentions that John Bunch, deceased, left land to five sons, John, William, Henry, David, and James.

1770 "Rebecca Bunch Departed this life on the 16th day of March, 1770". (First entry in the Bible Record of David Bunch. In 1936 this Bible was in the possession of W.A. Bunch of Asheboro, N.C.) Could Rebecca have been the widow of John (aa)? A Rebecca Bunch was granted land in Goochland County in 1741.

In his manuscript "History of the Bunch Family" (1938) Richard Haney Bunch stated it was his opinion that John Bunch, Jr., who was granted 400 acres in 1722, was a GRANDSON of the immigrant John Bunch. DeWitt Bunch in his publication "The Bunch Family Record", lists him as a son. In order to keep my numbering system the s same as that of DeWitt Bunch, I am listing him here as a son.

The known children of John Bunch (aa) were:

(aaa) John Bunch
(aab) William Bunch, married Phebe ___.
(aac) David Bunch, married Mary C. ____.
(aad) James Bunch, married Mary ____.
(aae) Samuel Bunch, married Mary ____.
(aaf) Lucresa Bunch, married _______ Meredith.

1764 Henry Bunch and wife Ann sell land to ___ Miller. (Notation from Bedford Co. Clerk to G. King in 1960 - no details)

Nothing more has been found concerning Henry Bunch. His wife (MAY (no proof!) have been Ann Callaway, a sister of the famous Col. Richard Callaway of early Kentucky fame. (In "Campbell Co. (VA) Chronicles & Family Sketches," by Early, 1927, the Callaway family is listed as having 2 girls, Elizabeth and Ann, and 5 boys, Thos, Wm, Francis, James, and Richard, all being children of Joseph Callaway (2), who was the son of Joseph Callaway, Sr. (1). The names Joseph, Callaway, and Richard all appear in the list of children of Henry Bunch. And Richard Callaway seems to have been closely associated with Henry Bunch in Bedford Co., Va.)

No will or deeds have been found naming the children of Henry Bunch of Bedford Co., Va. and hiw wife Ann, but the following are of record in Early Bedford Co. Va. and were early settlers in Kentucky, and were probably their children:

(aaga) Joseph Bunch, born prior 1765. Married Sarah ___. Died about 1818 in Hardin Co., Ky. Was a soldier in the Revolution, in Battle of Point Pleasant.

THE BUNCH FAMILY OF VIRGINIA

I am informed that the BUNCH family was first known in Flanders and migrated to Scotland during time of religious uprisings and were known to have lived there for 400 years. The earliest discovered record of the family in America is that of a JOHN BUNCH who came to Virginia in 1651-52. Due to the destruction of public records of that part of Virginia, successively known as York, New Kent, Hanover and Louisa Counties, where records were destroyed during the Civil War, I have been unable to trace the family between 1651 and 1742, when this genealogy starts.

R. H. Bunch   Chicago, Illinois   1938

1651-52 John Bunch came to America (Virginia)
1662 John Bunch granted 450 acres of land in New Kent County.
1665 William Bunch came to Virginia prior to this date.
1722 John Bunch, Jr., granted 400 acres of land in Hanover County, in what is now Fredericksville Parish, Louisa Co.
1724 Paul Bunch granted 400 acres of land in Hanover County.

1767 Samuel Bunch granted 400 acres of land in Louisa County.

1732 Five Bunch brothers landed at Alexandria, Virginia.

1742 John Bunch died in Louisa Co. prior to this date. He had patented 400 acres of land in Fredericksville Parish (1722), and left property to five sons; (Vol A, part I, pages 48-49-50, Louisa Co. Deeds)

David --- Inherited 60 acres of land from his father, John Bunch.)Both in
James --- Inherited 60 acres of land from his father, John Bunch.)LouisaCo.
On Sept. 26, 1759, he bought of Nathaniel Winston of St. Margaret's Parish, Caroline Co., Va., 208 acres of land in Louisa Co. lying on North side of South Anna River, adjoining his (Bunch) line.

1776 David Bunch died April 18, 1776, in Trinity Parish, Louisa Co., Va. He was born June 26, 1722, son of John Bunch, Louisa Co., Va. His wife Mary O. was born in 1729. In his Bible are recorded the following children:

Left 400 a. of land in that part which became Louisa Co to 5 sons ~~John, William Henry, David and James.~~ (Louisa Co. Deeds, Vol. A., Part 1, pp 48,49,50.)

1770 "Rebecca Bunch Departed this life on the 16th day of March, 1770." (First entry in the Bible Record of David Bunch. In 1936 this Bible was in the possession of W.A. Bunch of Asheboro, N.C.) Could Rebecca have been the widow of John (aa)? A Rebecca Bunch was granted land in Goochland County in 1741.

About 1938 Richard Haney Bunch (1864-1965) of Chicago, Ill., compiled a manuscript record "History of the Bunch Family". It was his opinion that John Bunch, Jr., granted the 400 a. of land in 1722, was a grandson of the immigrant John Bunch. DeWitt Bunch in his publication The Bunch Family Record, lists him as a son. In order to keep my numbering system the same as that of Dewitt Bunch, I am listing him here as a son.

The Known children of John Bunch (aa) were:

(aaa) John Bunch, 1742, mentioned in deed. See above. /died in Louisa Co., Va. His will, dated June 8, 1774, was filed for probate 13 Jan 1777, and in it he names sister, Lucresha Meredith; Nancy Bunch, dau. of Wm. Bunch; three brothers, Samuel, David & James. No wife or children mentioned. (Could land patents of 1725 or 1728 be his?)

(aab) ~~##########~~ William Bunch
1730 - ~~####################~~ he & John Bunch killed 2 wolves in Goochland County.
1738 Patented 400 acres of land in Hanover County.
1738 ~~XXXXXXX~~ a William on Tax List in Orange Co., Va, as being 2 tithe able. (Bunch Family Record, Vol. 1, p. 4, Jan .965.
1742 Sold land inherited from father John Bunch to brother John Bunch (same deed)
1774 Prob. died prior to this date. ~~W##############~~as he is not mentioned in the will of his bro. John (aaa)

Nothing is known of his family except this entry in the bible of David Bunch, "Anne Bunch, daughter of William & Feebe Bunch, wax born Sept. 18, 1755".

In 1764 "Feabea Bunch" was a witness to the will of Gilbert Gison. (Louisa Co. Va., Will Bk. 1, page 78.)

WILLIAM BUNCH^4 son of John Bunch^3

The following is all I have on William.

1730 - He & John Bunch killed 2 wolves in Goochland County (R.H. Bunch)
1738 - William Bunch patented 400 acres of land in Hanover County (R.H. Bunch)
1738 - William Bunch on Tax List in Orange Co., Va. as being 2 titheable.
(Bunch Family Record, V.1,p.4, issue of Jan. 1965)
1742 - Sold interest in inheritance to brother John Bunch
1755 - had daughter Anne, born 18 Sept 1755.
1764 - "Feabea Bunch", witness to will of Gilbert Gibson (Louisa Co Will Bk 1,p.78)
1777 - William Bunch on list of Tithes, Fredericksville Parish, Louisa Co. 1777.
(Hist. of Louisa Co. p.162. Could be Wm. the son of David & Mary).

(On the copy you sent me, do you have birth date of Anne as 1744. If not I hit the wrong keys when I copied it.)

Surely William had more children than Anne.

Subj: BUNCH query

From: finn@ionet.net (Meg Greenwood)
To: NUNNE002@aol.com (Nunnely, Mary-FHC)

Mary - Doing well with my myriad of surnames. Beginning to hate a few <G>.

Just saw this on the BUNCH surname group - I have NOT told her of forwarding this to you, I have not contacted her at all.

If this data links to a BUNCH you can find, either contact her, or send it to me, and I will forward it on, being a BUNCH surname subscriber.
- Meg

There is another one that is incredibly obscure, the poor writer has obviously been digging for this BUNCH connection - I think it just bothers him that he can't find anything on this first marriage. Here is a synopsis of his plea -

++

HI - My name is Duane Mills, born Pawhuska OK 1936. Worked overseas for an Oil Co [I wonder which one-Meg] and retired in Stavanger.

Looking for Ann, Anne or Anna BUNCH that married a Ralph SHELTON in Claiborne, or Grainger Co. Tennessee in the early 1800s. They supposedly had 4 daughters named Sally, Jincie, Susan and Ann. This last Ann seems to have married a Hugh CARROLL in the early 1800s also and went West to Indian Territory.

I have documentation on the Hugh CARROLL marriage, but not the SHELTON/BUNCH one. I am a descendant of Ralph SHELTON and his second wife Anna TAYLOR. This is documented well. Their earliest child is 1828, but their marriage records show 1838 marriage.

It was quite possible that Ralph SHELTON married a BUNCH, but it was not Ann or Anna. I have seen references to court records where Ralph was directed to pay for an inquest in 1822 into the death of his wife Mormen or Mornen. I have also seen references to a Mourning BUNCH but have no paperwork to follow up.

+++++++++++++++++++++++++++++++++++++

That is about it for this query - LMKnow if there is anything to send on - again, I have not mentioned your existence to him, I replied for the Pawhuska connection, and the obvious one to PPCo. - Meg

Appreciate the fact that you do not give out my name or E-Mail to these Bunch researchers. There are so many that it might become a fulltime job!!!

Have not seen any Montana BUNCHes. Seeking connections to Ralph BUNCH (born IL) died Great Falls, Montana 1958, and Jessie BUNCH (born 1901,MI, maiden surname HALCRO) died 1967. Stayed most of their lives in the Great Falls area. Only daughter's surname now Oakley. Appreciate leads.

HENRY BUNCH 4, son of John Bunch 3.

I think you already have everything on Henry that I have. This is the list of his children as I worked out when I last worked on it - about the same as DeWitt had, only I did try to estimate some ages. There is more information about each of them in the Bunch Family Record, as DeWitt went to Kentucky where they settled and did research on them.

died 1794 Clark Co., Ky.

1. Zachariah Bunch, born about 1753,/surely must be the eldest as he had children mar. in 1791 & 1794 (Clark Co, Ky, mar records), and his oldest son Henry was born before 1775 (census). Wife was Saby _____.

2. Joseph Bunch, born about 1755, was in Battle of Point Pleasant, 1774. Wife was Sarah _____. Joseph died about 1818, Hardin Co., Ky.

3. Richard Bunch, born about 1757 (aged 75 in 1832 - pension application). Served in the Revolution. Moved to Mercer Co., Ky., 1789. Wife was Mary ____.

born about 1761

4. Charles Bunch ,/of record in Bedford Co, Va. 1782 (tax list) & 1784 (surety on marriage bond). Was in Kentucky by 1792 (name appears on a petition) and was on tax list Warren County, Ky, 1800.

Bedford Co., Va.

5. Betsy Bunch, born about 1763, m. 28 Jan. 1784,/Andrew Hodges. Went to Warren Co., Ky (census).

6. George Bunch, born about 1765; mar. 1st, in Bedford Co., Va., Hannah Hibbs, 28 Nov. 1787; married 2nd, 22 Feb. 1798, in Nelson Co., Ky., Elizabeth Spencer, dau of Thomas Spencer. On tax list in both Nelson & Warren Cos, Ky 1800 - Dewitt Bunch says he purchased land in Warren Co in 1799.

7. James Bunch, born about 1767; married Ruth Hibbs, 28 Nov 1791, Bedford Co., Va. Went to Nelson County, Ky. His widow Ruthy married Aaron Cuppy in Nelson Co, 29 July 1797. James had a son, James Jr, born 1794 in Va.

   There was a James Bunch in the Rev. War., in 1777, under Joseph Martin in SW Va. If this one, he would be a few years older.

8. Callaway Bunch, born about 1769, m. 8 July 1794, Mercer Co., Ky., to Mrs. Nancy (Ann) Henderson. Went to Warren Co., Ky and died there about 1808.

9. Simeon Bunch, born 9 Sept. 1775; died 16 Oct. 1834 (Old Union Bapt Ch Cem., Warren Co., Ky, records); married Lula Boone in 1799 in Mercer Co., Ky. In Warren Co., Ky by 1800 (tax list). (Simeon just MIGHT be a grandchild. However, Zachariah left will naming ch. & Joseph names only 2 ch in his will).

Then there is that recent record I got of Winston Bunch, in Rev. War.
DAR record says he was born 1759 Bedford Co., Va. and died 1830 Clark Co., Ky.
If this is correct, he surely must be another child of Henry.
And if HE belongs to Henry - how about Winslow, Martin & David????????
(John of Grainger Co. Tenn I still think belongs to Samuel)

Dear Miss Thomas:

No, I do not have any data on Bunch-Callaway Marriages. The only marriage on Bunch is being enclosed and do not know if it will be of any help. It seems to me that there should be earlier Bunch marriage licenses than 1787 as there was a HENRY BUNCH in Bedford Co Order Bk #1, page 50, December Court 1754. It is record of a suit:

"Christopher Irvine — Plaintiff)
against —) in debt
Henry Bunch & Richard Callaway — Defendant)

This day came as well the Plaintiff by his Attorney as the said Defendant Callaway in his Proper Person & the Defendant acknowledging the Palintiffs Act'n. Therefore it is Considered by the Court that the Plaintiff recover against the said Defendant Callaway 17 Pounds, 2 shillings and four pence and His Costs about his suit in his Behalf Expended, and the said Defendant in Mercy &c. But this Judgment is to be Discharged by the payment of 8 pounds, 11 shillings and 2 pence together with interest for the same to be computed after the rate of five percentum."

Page 64 gives Joseph Ray against Phoroah Reyley, John Partree Burks, William Kerr & Henry Bunch (Feb Court 1755). Jury trial assessed damages of two pounds fifteen shillings and four pence besides costs.

Page 151 March Court 1756 Archibald Ingram, George Kippin & Compy Plaintiffs against Henry Bunch - in Debt - 38 poundss six shillings & eleven Pence with interest at 5% from Aug 7, 1754 (not verbatim).

Page 209 July Court 1757 Archibald Ingram & Compy against Henry Bunch. The Defendant failing to find Special Bail and the Attachment awarded at the last Court against his Estate being returned Executed in one chear (chair)......Plaintiff to recover six pounds thirteen shillings the Debt in the Declaration mentioned...."and it is Ordered that the Sheriff make Sale of the Attached Chair and apply the Money arising from such sale toward paying this Judgment & costs and return an accoumpt thereof to the Court."

Pagd 211. July Court 1757. John Phelpe against Henry Bunch....For reasons appearing to the Court this Suit is Ordered to be Dismiss'd."

This at least proves that there was a Henry Bunch in Bedford County and he knew Col. Richard Callaway who went into Kentucky with Daniel Boone. Bedford County was divided in 1782 and Campbell Co formed. I do not have data from that co but by requesting books from your local library material can be borrowed from the Sutro Genealogical Library and the state library. Some of the early Bedford and Campbell County marriage records can be found in Hinshaw (forget the title right now).

There might even be Bunch will in these counties. Sometimes the county clerks of Bedford & Campbell Cos will answer your questions. Salt Lake City Genealogical Library (Morman Library) has a wonderful collection of all the vital statistics, deeds, wills, marriages on microfilm of the eastern estates and Europle. Their library is open to the public at no charge. Some of their members do this type of work for I believe $1.50 per hour. I'm just suggesting this as some people do not know that this service is available and it is certainly cheaper than going to all of the county court houses unless you are on a trip.

I'm just wondering if Callaway Bunch does indicate an intermarriage or that this Mr. Bunch was named Callaway because of the friendship with perhaps Richard Callaway as they were certainly acquainted in Bedford Co and Richard Callaway paid the debt rather than Henry Bunch. We have a Thomas Jefferson Brown in our family and he was no relation.

Have you tried wearching the Kentucky records for Bunch wills, as that so often gives the children. Also marriage licenses give data.

I'll be glad to keep your query on file and help you in material is found.

Sincerely, Lucy Evans.

(Boys were always named first, even if the oldest child was a girl.) He refers, farther on, to "the four children", and gives the same names. No daughter "Susan" is named--and Susan Beall (1850 Cen.) was born Ky. ca 1831, and the 1840 Cen. shows Davis with 2 females: 1 born 1821-25 and another b. 1831-35, which would fit Susan's age in 1850. She would have been only 14 when Davis wrote his will.

EXPLANATION OF ORDER FOR PHOTOCOPIES

Please use the other side of this form to order photocopies of records relating to a person who served in the United States or Confederate Armed Forces. We can furnish photocopies relating to the following subjects:

a. United States (not State) pensions claimed on the basis of service before World War I;

b. United States (not State) bounty lands claimed on the basis of service before 1856;

c. United States military service performed after 1774 and more than 75 years ago and Confederate military service. (NOTE - We do not have information relating to military service rendered before the Revolutionary War.)

Send us the completed form with one dollar. If you send more than one form at one time, your remittance should be for as many dollars as you send forms. Each order will be handled separately; so you may not receive all your photocopies at the same time. Be sure to enter your name and address on each form.

If we find a pension or bounty-land warrant application file which we believe relates to the person in whom you are interested, we will send photocopies of the documents we think most likely to be of interest to you. If no pension or bounty-land warrant application file is found, we will furnish copies of the military service record if one is available. If we do not find a file that appears to pertain to the person in whom you are interested, we will refund your money.

The military service records rarely contain family information. Furthermore, the record of a man's military service in any one organization is wholly separate from the record of his service in any other organization. We are ordinarily unable to establish the identity or nonidentity of men of the same name who served in different organizations. If you know that a man served in more than one organization and you desire copies of his military service record, a separate form and one dollar fee should be submitted for the service record in each organization.

Additional copies of this form will be sent to you on request.

Bunch-Holloway

COPY - original sent to Alice Park, Nov. 26, 1979

8 Feb 1974

Mrs. Garland B. King, Rt.1, Box 147, Nowata, OK
Dear Mrs. King;

Your lname andd address has come to me through Mrs. C.W. Bunch as a possible source of information on the Bunch line. I have been unable to prove that Millie Bunch m. John Holloway 1791, Mercer Co., 1KY, is my line, but from what I have been able to learn through family tradition it looks liks a very strong possibility

My great-grandfather John Holloway (Capt) b. 1806 or 1809, Ky., married Nancy Kemp Foster in Morgan Co., Ill., 1830. Soon after his marriage he migrated into Missouri where he remained for 20 years. Then, in 1850, he and his family joined a wagon train from St. Louis, Mo., headed for California where they settled on a farm near Wheatland, Cal. In 1852 or 1853 Capt. John returned to MO. for cattle and horses and on their return ~~XXXX~~ Capt. John was drowned in the Green River, Utah. All of his deeds and money were on his person and so were lost to the family.

We have his mustering out papers from the Mexican War, but are unable to locate his papers from the Black Hawk War and the Turk-Jones Vendetta. Being only 42 when he drowned, his children were quite young and not much was recorded about him. We have only what they remember.

It looks to me as though he was born to John and Millie in Clark Co., Ky., and that he was with them when they migrated into Ill. where he married Nancy Kemp Foster. 1 An elderly aunt insists that they were his parents and since I can not locate positive identification through the Holloway line, I have been hopeful that we could locate it through the Bunch line wince one of my cousins remembers that a Bunch came to visit them who lived in Oklahoma.

We have the will of Zacharia Bunch, but only know that his wife was Saby. Recently, I received a letter from a Bunch descendant who gave me the father of Zacharia as Henry Bunch and his mother as Ann Calloway.

~~Of upi jave amu omfpr,atopm wjocj cpi;d assost ,e om tje Bimcj line~~
If you have any information which would assist me in the Bunch line, I would be most grateful. Did Zacharia Bunch marry an Owen? Was Saby an Owen? My grandfather's brother named one of his children Owen Holloway after one of his grandmothers so have been trying to trace that down. Ofl course, it coulddhave been on his wife's side, but my Aunt did not think so.

Captain John was in Morgan Co., Ill., (Scott came from Morgan) and Benton Co., Mo. There were several Bunch families in these areas including David Davis Bunch who married - signed the marriage certificate of John and Nancy as Justice of the Peace.

Enclosed please find stamped self-addressed envelope for your reply. Thank you for any assistance you might be able to send me.

Sincerely, /S// Dores H. Sleath

"Mary Bunch m. George Walker". If you can get Susan off my mind, I'll concentrate on "Andrew Anderson." Alice

Dear Geneva

No, this is not an answer to your letter of this week--this is just another PROBLEM which I cannot solve by myself.

I have been in correspondence with Doris (Mrs. Jack C.) Sleath, Nipomo, Cal. (I had never heard of this place before--lived in Calif., too.) You sent me her letter to you, and I wrote her--she is working, I think, intending to publish a Holloway book. She sent me the children of John and Milly, recently, also gave me the sources of her information, which I had asked for--especially, how did she know that the Polly Holloway who married Davis' Bunch was the d/o John and Milly(Bunch) Holloway. (I knew that was your guess, but didn't know whether or not she was just quoting you.)

She wrote back last week to say that the "elderly aunt" she had used as a reference was her father's older sister, 1855-1970--Charlotte (Holloway) Sturgeon--. She says Charlotte, whom she interviewed "many times", told her that her-Charlotte's-grandfather,"Capt. John Holloway was the son of John Holloway and Millie Bunch". She gives as further evidence of relationship: By Oct 1856 Davis' wife Mary is no longer co-executor of Davis' will--James W. is now the only one--and George Holloway is the guardian of Davis'and Mary's son Joseph C. Bunch. A "paper" she has indicates that Mary (widow) was dead in 1863. (I can't be sure whether the record says that Mary was dead by Oct 1856, or if that is what they assume, because she was no longer co-executor, with son James W., and no longer guardian of son Joseph. She could easily have been unable to act in those two capacities, but still have been living. Will ask her about that, but she is now gone to help dau. expect a child, and won't be available for about 6 weeks.)

But the real problem is Davis' will--she sent me a (pitiful) copy, which I shall send you, as soon as I am sure I have everything out of it. Davis' will, (Scott Co., Ill, File Box 2) dated 16 July 1845 named his wife Mary (inherited the 200 acre farm "on which we live") and then gives "my three sons and daughter : John S. Bunch, James W. Bunch, Joseph C. Bunch and Mary Ann Bunch". Farther on, he says "the four children", and gives the same four names. He died 1 Oct 1845.

NO MENTION OF A DAUGHTER SUSAN, who, if she was Susan married Henry Beall was born ca 1831. So what I want to know, is, how do you know that Susan was a daughter? What could she have done by age 14 to have her father ignore her? Or ???

A researcher sent Doris the "paper" dated 1863 which names those called "heirs", but not named in will: Susan Anderson (d/o John S.?), Mary A. Walker and George B. Walker; Josephine Bunch (d/o John S.?). Doris adds that Mary Ann Bunch m. George Walker. (She has never sent me a list of chn. of Davis Bunch, so this is the first I've heard of Mary Ann.) I supposed at first that the Walkers were chn. of Goe. Holloway's dau., Permelia Ann, who m. Isaiah Walker; + she gives no source—just says

Dear Mrs. Park,

I am delighted to hear from you and I would gladly cooperate with your research in any way that I can. I do not have anything on the Bunch line before Zacharia and do not know Saby's maiden name. However, I have through census records and marriage returns from Morgan (Scott) Co., Illinois been able to put together many of the descendants of John and Milley Holloway. I have proven the Holloway line back to the immigrant ancestor, but still have family tradition and circumstantial evidence that Captain John was their son. I am unable at this time of year to put all the data in order for you, but if you advise me what you need, I will try to assist.

Dear Mrs. Thomas,

Your query in the Birginia Gazette interests me as I am trying to find the family of Lucinda Bunch who married Samuel H. Hardwick.

They lived for a time in Montgomery Co., where my ancestor Nimrod Hanrdwick was born Feb. 16, 1809. Both Samuel H. and Lucinda were born in Va. The family lived later in Morgan Co.,Ky then in 1843 Nimrod was married in Greenup Co., Ky.

Do you have any information on the Bunch family?

Sincerely,

Ruth Thorpe.

P.S. I have access to the 1850 Census of Va. and Kentucky. Will be glad to help you if I can. R.T.

Dear Mrs. Thomas:

It is just a year ago since I received your letter on the Bunch family. Since I cannot remember what I wrote you (I hever keep a copy, I should) and since I am especially interested in tracing my Lucinda B. it seems that I should start at the beginning.

I have a record of Zachariah Bunch who died about Oct. 28, 1794 in Clark Co., Ky. He left a widow, Saby (or Sabina) sons, Henry and Mark, and daughters Milly, and Mourning, grandson James Cubbage and youngest daughters, Anna and Lucy.

I believe this Lucy is my Lucinda. The widow was living in Montgomery Co. in 1797 but I find that a part of Clark Co. became Montgomery Co. in 1796. Lucinda and Samuel Hardwick were married in Montgomery Co.

Now it seems to me that your Zachariah Harrison Bunch is probably a grandson of this Z. Let me know if you have any more information on this family. I am sending for a copy of the will and will let you know if there is any additional information in it.

I have this bit of information, too. William Bunch and Martha Ellis were married July 1821 in Mercer Co., Ky.

Sincerely,
Ruth Thorpe (Mrs. B.R. Thorpe)

Dear Geneva

I heard from a woman in Ill. (who had seen the listing the Gen. Book Co. finally — when the books were about gone — put in one of their catalogues about our book. They were sold out, but gave her my address, & she is just the kind of person I've been holding the books (I bought) for — she learns the ancient history, we will get Milly^6 (Zachariah^5) & John Holloway on down to today. She says they had 9 children.

(over)

Oh, how I regretted not having organized the material when it came from you + Ms Perkins! Took me hours to establish contact again - so I made this crude chart to guide me -

I know you don't ~~need~~ need it, but I'm sending it anyway, along with the Henry Burch pages, - sending all of the same to Marilyn Perkins and to Miss Walker, in Ill. (She thought until very recently that her ancestor John Holloway married Milly BURCH. She was born in Scott Co., Ill. - where Davis Burch went - Remember you guessed his wife Polly Holloway was Milly's sis? maybe will find out. Alice

112d BUNCH FAMILY REUNION

The thirty-fourth annual reunion of the descendants of John Bunch was held at the D. H. Steele home in Atlanta Wednesday, August 27. 88 of the living descendants were present, and 20 visitors and friends registered. Dinner was spread on tables on the well-kept lawn, and after grace was said by Rev. Dorcas, a splendid repast was enjoyed.

These gatherings were commenced 35 years ago. At the Wm. Bunch home south of the Bunch school house in 1892, an organization was perfected and records have been kept, continuously. But one meeting, the 32nd was missed, it being rained out. All others have had fair weather.

The first officers were Wm. H. Steele President, A. F. Epperson, Secretary. Mr. Steele carefully kept the records until his death 15 years ago, when Dave Steele, his son took the books, and kept a history of meetings.

John Bunch came from Virginia to Kentucky, and in 1839 four of his sons, John, Joseph, James and Henry, and one daughter, Mrs. Lucinda Bunch Steele, came to Missouri. Two sons, Whit and Lije, were left in Kentucky.

The out of state relatives present today were: Mrs. Bert Brockman, Colo., Earl Steele of California, E. P. Steele of Olathe, Kans., and a visitor was Mrs. Neorttla Welton of California. The oldest relative present was Mrs. Saunders of LaPlata. The oldest visitor, Mrs. N. J. Nash, age 78.

Dear Geneva

Last week we hauled in the first real contribution to one of our incomplete Bunch families: the children of Henry^6 (Zachariah^5, Henry^4, John^3) and his wife Sally ?. I enclose a corrected list of their children, according to the information of Mrs. M. A. Perkins, Columbia, Mo. I sent her the same list this morning, just to be sure that it is correct according to what she knows, and to ask if she knows anything more about James^7 and Whit^7. I am just guessing which one was older, of course, but she knows Lucinda's birth was 1820, and we had Joseph's 1817/8, so I thought James and Whit had to be approx. 1811/2 and 1813-15.

I also send ~~c~~opy of the copy she sent me of the report of the 1924 reunion, and you will note that one says the brothers and sister in Macon Co. had father JOHN--I am sure that the family records kept"since 1892"were their deaths and marriages, not the names of the ancestors, and besides the oldest of those brothers was John, so they probably assumed his father's name was John.

Mrs. Perkins had a long ad in the last Gen. Helper from Salt Lake, listing a lot of families, including BUNCH, but she did add "Va., Ky., Mo.", so I sent her a postcard, telling her that a copy of our book was in the Historical Society's library there in Columbia, and I received this letter in answer--thanking "so much for the information on the Bunches."

I also have heard from Mrs. H. R. Cartier, 216 S. 4th St. Sandpoint, Idaho, zip 83864. She is descended from #92a William^{7}Bunch b. Ky. ca 1819, m. Chariton Co., Mo. Nancy Clark (p.239 of book). She did not know for sure that Stokeley Bunch was his father, and was very happy to hear that the above-named were in the book. She says Nancy Clark was d/o Randolph Clark b. S.C., and ??_ Nancy was b. 28 Feb 1824, d. 1918, bur. Palouse, Whitman Co., Wash. (She had married again after Wm.'s death.) Nancy and William^{7}had: Randolph^8 and Christina^8 Bunch. (She gives 1837 as date of William's marriage to Nancy Clark--we have it 1842.) Randolph^8 b. 14 Aug 1847, d. 25 Nov 1915; m. Emily E. Sanders, d. 1890 (aged 45); issue: John Wm.^{9} Bunch 1869-1947. He had 10 chn., and she sent several pages of John Wm.'s descendants.

Lee has been sick this winter--congestive heart failure--pretty well, now, but not strong. I hope you can say something better than this!

Returning to Michigan in 1864, he came to this State five years afterwards, as stated above. Mr. and Mrs. Brickell have had a family of three children: Edgar J., Gertrude S. and Fred L. They also have an adopted daughter, Cora V. Mr. and Mrs. Brickell and the three older children are members of the First Baptist Church of Macon, and he is a member of the A. F. and A. M. Mr. Brickell has been elected township treasurer for four terms in succession, and is one of the most highly-respected and prominent citizens of the county. His wife's family was originally from Boston, Mass.

JOHN M. BUNCH

(Farmer and Stock-raiser).

The Bunch family is one of the old and respected families of the county. Mr. Bunch's father, Col. John Bunch, was a native of Kentucky, born November 26, 1800, and in 1823 he was married to Miss Mary Oliver, who was born in the same State in 1805. They came to Missouri in 1825 and located in Howard county, but some years afterwards they removed to Randolph county, and a little later along to Macon county, settling in Independence township, where they made their permanent home. Col. Bunch became one of the well-to-do and highly respected citizens of the county, a successful farmer and widely and well known as a man of high character and intelligence. He died on his farm, in Independence township, May 15, 1883, having been a resident of the county for nearly half a century. His widow, the mother of our subject, still survives, and is on the old homestead, one of the venerable old mothers of the county. Both were members of the Old School Baptist Church from an early period of their lives. They had a family of eight sons and five daughters, of whom ten are living: Sarah, widow of James Morris; Lucy, the wife of John B. Epperson; Joseph, Lucinda, the wife of John W. Bunch; Eliza, the widow of Eld. A. Balmear; James, of Paris, Tex.; Nancy, the wife of James C. Miles, of Adair county; Thomas B., of Kirksville, and Benjamin F., of Sticklerville, Sullivan county, a practicing physician. John M. Bunch, the subject of this sketch, was born in Randolph county, June 11, 1838. He was reared on a farm in Macon county, and, of course, became a farmer. On the 29th of January, 1863, he was married to Miss Elizabeth Ratli She survived her marriage 11 years, dying October 16, 1874, leaving two sons and two daughters: Mary H., Hardee, Annie L. and Elvin. Hardee died in infancy. March 16, 1875, Mr. Bunch was married to Mrs. Martha F., the widow of Benjamin W. Oliver and a daughter of William and Mary McGee, of this county. A sketch of William McGee, her father, appears in this volume. Mrs. Bunch was born December 3, 1835. By her former union there are three sons and two daughters: Edward E., Luther, Emma, Joseph and Bettie. Mr. and Mrs. B. have one daughter, born June 4, 187

CORRECTED LIST OF CHILDREN OF HENRY^6 BUNCH
(Zachariah^5, Henry^4, John^3 Jr.)

Additions to A.C. Park, Park/e/s and Bunch On The Trail West,
(Baltimore, 1974), 225, 226.
(Numbers and footnotes are those used in the book, except "x" and "*".)

53. Henry^6 BUNCH b. Va. 1775 or before (age from 1820 Census for Clark Co., Va.[c]). He d. before the Cen. for 1830 that county, where his family--of 1820--except one of the two oldest males of that Census was listed with Sally Bunch,[c] widow, head of household. Sally's age on Census would give her birth as 1781-90, but since her son John^7 was born Nov 1800[e] she was probably born in the early 1780's. Son Henry C.^{7} was the male listed in 1820 who married Clark Co., Ky. 1829.[c]

When the book was published we had the names of only four children of Henry^6 and Sally--the full list of seven children[x] follows:

a. John^7 b. Ky. 26 Nov 1800[e] m. Clark Co., Ky. 1822[c] Mary "Polly" Oliver,[c]
13 ch issue 18, listed.[e] John d. Macon Co., Mo. 1883[e] where he had gone in 1825[e]--known there as "Col. John".[e] Two of their chn. are buried in the Steele Cemetery[x] (near Elmer, Macon Co.).[x]:

  (2) Julia^8 1854-1873.
Elijah and his brother "Whit" were the two brothers left in Ky.

c. Henry C.^{7} b. Ky. Jan 1807 (g.i.[x]), bur. in Steele Cem., nr. Elmer, Macon Co., Mo.[x] (Henry's sister Lucinda was Mrs. Steele.)[x] He m. Clark Co., Ky. 10 July 1829 Nancy Epperson b. ca 1805, d/o Barnett;[f] to Macon, Co., Mo. ca 1839.[x] They had issue 5.[d,f] One was:

(New footnotes)

x, Ms Marilyn Perkins, 32 Walnut Hills Tr. Ct., Columbia, Mo., 65201 advertised for BUNCH in the "Genealogical Helper", and we wrote to her, telling her that a copy of our book on the Bunch family was in the library of the Historical Soc'y of Missouri, at Columbia. She then sent to us the names of the seven children, in 1924 newspaper clippings telling about the Macon Co., Mo. "Bunch Reunion", held every year for twent-five years. The sons and daughter in Mo., also "the two sons **Whit** and **Lije . . . left in Kentucky**" were named. Ms Perkins is descended from Lucinda^7 who married David H. Steele in 1836, Clark Co., Mo.[x]

[*] On the Clark Co. 1830 Cen. Sally Bunch had two males born 1811-15. We know now that these were "Whit" and James A., and since James A. was born (Mo. Cen. records[c]) ca 1814, Whit was born earlier, ca 1811.

Mrs. Garland B. King--the footnote "c" refers to her--had all this information on a James Bunch, from Census records and from descendants. Then Ms Perkins was able to tell us that Henry^6 had a son James^7 who went to Macon Co., Mo. with his brothers John^7, Henry^7, and Joseph^7 and his sister Lucinda^7 (Bunch) Steele. James and Nancy had issue 8; he had 2 sons (as above) by Anna.

(7) Walter A.^{8} b. ca 1853/4, d. young.
(8) Elijah Perry^8 b. 1856, d. 1933; m. 1889 Mae Marshall.

NOTE: Lucinda was married on 26 Sep 1836; Surety for the marriage was "Thomas Boone". At Joseph's marriage on 3 Sep 1836 consent was given by"Thomas Boone, guardian of Joseph Bunch". It is probable that Thomas Boone was appointed guardian of all the under-age children of Henry^6 and Sally, after Henry's death, and Lucinda, the youngest, would have been his last responsibility.

Dear Geneva

If these look like you have seen them before, yes, you have, but both chart and pages have been added to, from information from Marilyn Perkins and Olive Walker, descendant of John Holloway and Milly Bunch.

Miss Walker says John and Milly had 9 children, but she only knows the name of "the youngest, George Muir Holloway". She says Geo. M. went to Morgan Co., Ill. in 1828, but since he was only 15 at that time-- and since his parents are both bur. in Scott Co., Ill.-- I judge that 1828 is the date on which John and Milly and family("all born Ky." Miss Olive says) went to Ill.(Scott Co. formed from Morgan Co. 1839.)

Since you looked at Ill. Census for Davis Bunch, I wondered if you took down any HOLLOWAY listings in Morgan or Scott Counties? O. Walker says all the Holloway chn. went to Ill.- but Ijudge not all in the same place.

And did you take down the chn. of Davis Bunch, in Ill.? You said Census showed 5 chn, Olive says 4-- I'm sure you are the one who is right, and if you know their names, I'll put them in.

We are having lovely Indian Summer weather at the moment!

Alice

party and gives it the best service his circumstances allow in all its campaigns. But party spirit and party claims never obscure his vision as to the best interests of the people, and with him those interests always come first, partisan considerations and personal desires being at all times secondary and subordinate.

On October 10, 1888, Mr. Farmer united in marriage with Miss Alice Brockman, a native of this county and a daughter of John W. and Sarah E. (Hamilton) Brockman, prominent citizens of the county and reckoned among its most useful residents. Four children were born of this union and three of them are living, Clella, Bessie and Damon. All the members of the family enjoy in a marked degree the regard and good will of the people on all sides and in all classes, and they well deserve the high esteem in which they are held wherever they are known.

HENRY BUNCH.

Working industriously on his farm of eighty acres in Lyda township from day to day and year to year, steadily pushing forward his own interests without reference to the affairs of other people, yet never neglecting his duty as a citizen or withholding his support from all worthy undertakings for the benefit of the locality in which he lives, Henry Bunch is one of the most estimable citizens of Macon county, and in his way one of the most useful. He ought to have a deep and abiding interest in the welfare of Macon county, for it is the place of his birth and has been his home all his life so far. He ought also to feel an earnest and helpful desire for the comfort and advancement of its people, for he has been living and laboring among them ever since his childhood. His local patriotism meets these requirements and is manifest and ardent.

Mr. Bunch's life began in Independence township in 1864. He is a son of Perry L. and Martha (Cook) Bunch, natives of Kentucky, the former a son of Henry Bunch and the latter a daughter of Valentine Cook, and both belonging to families long resident in that state. The father came to Missouri in 1837 and located in Independence township of this county. At the time of his arrival in this part of the state it was still wild and unpeopled to a large extent, and all the hardships and exactions of frontier life had to be borne by its few scattered inhabitants. The elder Bunch accepted the situation, with all that it involved, and throughout all the early history of the region he faithfully performed his part as a pioneer and promoter of the best interests of the people. He was of a retiring disposition, and never sought public office or mingled much in the management of public affairs. But he met every duty of citizenship with fidelity and never shirked a task that belonged to him, however disagreeable it might be. In politics he inclined to the Republican party, after it was formed, but he never became an active partisan.

He and his wife became the parents of six children, all of whom are living. They are: Henry; Ida, the wife of Charles Howell, of Atlanta; Dora, the wife of Elwin George, of Oklahoma; Rose, the wife of A. A. Saunders, of La Plata; Nevada, the wife of W. H. Bookman, and Alta. The father died on February 3, 1897. He was a farmer all his life, and in his day was a prosperous one. The mother was married in 1906 to J. H. Saunders and now lives in La Plata.

Their son, Henry, obtained his education in the schools near his home, and as conditions at that time were much disturbed, owing to the lingering agonies engendered by the Civil war, his schooling was necessarily very limited. On leaving school he began farming for himself as soon as he was able, and this has been his steady occupation ever since. He has eighty acres of good land, which is well improved and highly cultivated, and he also carries on a flourishing business in raising live-stock for the markets. In both lines of endeavor he has been very successful, making a competency for himself and helping to raise the productiveness and wealth of the township. Like his father, he is a Republican in politics, but not an active partisan, and has refused all overtures made to him to become a candidate for public office, either by election or appointment. He is an earnest and devout member of the Baptist church and an ardent worker in its interest, taking a leading part in all its benevolent and other worthy undertakings. Fraternally he is connected with the Modern Woodmen and the Maccabees, and he is active in his membership and devoted to the welfare of both organizations.

While Mr. Bunch has not helped in an official way to direct the destinies of the township or county, and has left to others the functions of government and the responsibilities attached to them, he has not failed in the full performance of his duty as an excellent citizen. He has given the people around him a fine example of industry and thrift, and has shown how essential they are to success, even in this land of plentiful opportunities and practically boundless resources. He has also lived an upright and useful life in social and general relations, and has won by his worth the generous and appreciative regard of all who know him. In 1897 he was united in marriage with Miss Frances

"Was in Brookfield on Sept. 25 and talked to a Milton Bunch. He knew nothing of his ancestors. Also talked with Mrs. Lula Frances (Bunch) Smith, 521 Shelby St. Old George and James or the names of any of their descendants did not mean a thing to her. She could not recall her grandfathers name, but knew her fathers name was Cyrus Bunch, born in Missouri. Cyrus had a brother, William. Her grandfather was born in Ky., and her grandmothers name was Nancy (?) Bunch. She gave me the name of an aunt, Mrs. Rose (Bunch) Sanders, LaPlata and Rob Bunch (age about 85) also of LaPlata, Mo. She has your name. I mean Mrs. Smith has your name.

There is a relative of hers, Carroll Bunch, 2135 Grace St., Hannibal, Mo., who attended a Bunch reunion, I believe north of Brookfield. He could find no kinship at the Reunion."

In 1967 Mr. Carroll Bunch (above) wrote to Joan Smalley "that his grandfather was James Bunch, his father Rice Bunch, father's brother Joel Bunch of Brookfield, Mo. His father had several half-brothers, one being William Bunch who lived in LaPlata, was a Civil War soldier, following the war returned to LaPlata and married the daughter of his step-mother Cosby Cook."

Dear Mrs. King;

I found your ad. in the Genealogical Helper, and as I am working on the Bunch family name, and as my Grandfather James Morry Bunch came with his parents to the State of Mo. when he was seven years old and he has been gone for many years, His parents came to Mo. from Ky. and I do not seem to be able to get any information from Ky.

I shall send along what information I have on them but it is very meager.

Your ad. is the first one so far that I have noticed on the Name of Bunch as it is not a very common one.

I do not know my great grandfather Bunch given name, I have no data farther back than after my grandparents were married, except grandfathers birth date and the place of birth is an assumption, but I shall send it along as it might be a lead for you.

Hope to hear from soon as genealogy is a subject very dear to me.

Yours Very Truly -

Dear Mrs. King;

I do so appreciate hearing from you, and for all the Bunch names. Did I send you any names at all; I must have as you asked if grand father Bunch's name was "Money" no his ~~middle~~ name was James Money Bunch, the name Money is a family name Grandfather's Mothers maiden name was, her father Epperson, "Money" Epperson, and the Epperson family is still using that name.

I do not have any such

finding anything on the
Eppersons either.

It ~~was~~ is sure nice to know
some one else is working
on the Bunch name, could
be we are working on the
same lines, as my G.G. parents
Came to Mo. in the 1830's
My grandfather James M. Bunch
was just 7 yrs. old when
they came to Mo from Ky.
And my Grandmother Smith
Bunch was born in Chariton Co
Mo. then her parents moved
to Putnam Co. Mo. there is
where she married Grandpa in
Putnam Co. they moved to Macon
Co. Mo and all their family
were born in Macon Co. but
one and she was born in

Putnam Co. as the family had moved back to Putnam Grandpa was a farmer.

I do hope you will write to me again as I did so enjoy. hearing from you.

Sincerely.

Mrs. Garland B. King,
R#- Nowata, Okla.

Dear Mrs. King;,

I have another sheet of names and dates on the Bunch family name, Perry Louis Bunch is my Grandfathers Brother, the younger I image.

I took this name Poinz of de Pons from Saintonage over to our historical library but they had Nothing on it, I shall try our City library one day they might be able-to help us.

I am not doing much on my Bunch line, altho. I found a James Bunch + George Bunch in the 1800 tax list of Knox Co. Ky- of course that means very little if they Can't be linked to our Bunchs both those given names are very much in use in our family, as well as the name Carl.

Thought you might like these names I have been able to gather from Rosetta Bunch Saunders, of Laplata, Mo. And as you can see by her birth date she is getting pretty old, but her mind is still good.

I do hope I can in the very near future find a definite connection on my Bunch Line.

Sincerely
Sibyl Taylor

Note: The 1860 census of Macon Co., Mo., gives the combined families of James A. Bunch and Anna (Williams) Cook - but does not give the surname of each child. All but 2 were easily identified, but it is not certain whether these 2 are COOK or BUNCH. They are:

Walter, age 8, born Mo.
Julia V., age 6, born Mo.

I have listed them under COOK, but they could just as easily be BUNCH. Here is that 1860 Census:

COMPENDIUM OF HISTORY & BIOGRAPHY OF LINN COUNTY: MISSOURI (Henry Taylor & Co/Chicago)

WILLIAM M. BUNCH

Popular as a man and citizen, standing high in business circles and in the first rank of his profession as a pharmacist, William M. Bunch, one of the leading druggists of Brookfield, has commended himself to the esteem and good will of the people of the city and county of his home by his character, usefulness and extensive attainments, and also by his mastery of his art and conscientious care and skill in the practice of it. The accuracy and excellence of his prescription work is well known throughout the city and a large extent of the surrounding country, and has given him a very enviable reputation among the people.

Mr. Bunch is a native of Macon county, Missouri, and was born near Atlanta on October 17, 1867. He is a son of David and Binda (Cook) Bunch, both natives of Missouri and for a number of years residents of this county. The father is a farmer living north of Brookfield, where he cultivates a fine farm with skill and the intelligent application of modern methods of agriculture. The family located in Linn county in 1874, and have had their home in it from that time to the present, and been valued elements of its industrial and social life, and appreciated aids in all its moral and intellectual agencies.

There are eight children belonging to the household, one son and seven daughters, and six of the eight live in this county. Their paternal grandfather, James Bunch, was born and reared in Kentucky. He moved to Missouri and located in Macon county in about 1840, and some time afterward changed his residence to Linn county, where he died at a good old age. His forefathers were pioneers in Kentucky, and he became a resident of Missouri while much of the state was still undeveloped and but sparsely settled.

William M. Bunch reached his maturity in this county and obtained his education in its schools. He was engaged in farming until 1891, then came to Brookfield to clerk in the drug store of C. M. Easton and later performed the same service in that of Charles Green. While acting as clerk in these stores he studied the science of pharmacy and acquired a thorough knowledge of it with a view to going into the business on his own account, and this he did as soon as he was prepared for the undertaking.

He opened a store of his own in 1906, and since that time he has been closely attentive to its requirements and built up a considerable trade for it. He is careful in the selection and preservation of his supplies, buying only the best and purest drugs, uses great diligence in keeping them from deterioration, and applies the widest knowledge and utmost skill in compounding them in prescription work. By these means he holds and enlarges his patronage in the community and maintains his rank in the business and his elevated place in the confidence and regard of the people.

In matters outside of his business also he deserves and enjoys the approval and esteem of the public. He is a man of public spirit and enterprise in connection with all projects designed to push forward the progress and work out the development and improvement of his city and county, and his services in this respect have given him high standing as a man and citizen. There are many forceful factors in harness to make Brookfield and Linn county all that Nature designed they should be and the energy of man can make them, and he is one of the foremost.

Mr. Bunch was married in Brookfield on March 30, 1893, to Miss Cora E. Theobald, a daughter of Lewis and Sarah (Ditto) Theobald, prominent residents of Brookfield for many years. Two children have been born of the union and brightened the home circle, of which they are still members, Gladys I. and Sadie. They are ornaments to the social life of the city and popular wherever they are known, following modestly and gracefully in the footsteps of their parents in this respect.

The father has never taken an active part in partisan politics, but he has always been attentive to the claims of good citizenship and met all their requirements faithfully and intelligently. He has, however, shown a cordial interest in the fraternal life of the community as a member of the Woodmen of the World and the Modern Woodmen of America, and in religious affairs as a devoted and zealous member of the Baptist church, to which his wife and daughters also belong, and in which they are working members.

CHARLES GREEN

(Deceased)

The late Charles Green, one of the pioneer druggists of Brookfield, whose death on August 20, 1910, cast a deep shadow of grief and gloom over the whole community, was a fine specimen of the mastery given a man for his business by long study and thorough training. He began the study of pharmacy when he was a boy and continued it to the end

In 1967, Mr. Carroll Bunch (2135 Grace St. Hannibal, Mo) wrote to Joan Smalley "that his grandfather was James Bunch, his father Rice Bunch, father's brother Joel Bunch of Brookfield, Mo. His father had several half-brothers, one being William Bunch who lived in LaPlata, was a civil War soldier, following the war returned to LaPlata and married the daughter of his step-mother Cosby Cook."

LENORA BUNCH'S RITES CONDUCTED

World's Own Service

TONKAWA, March 20—Funeral services for Mrs. Lenora Bunch, 90, pioneer Tonkawa resident who died Friday in a Ponca City nursing home, were conducted Monday afternoon in the Tonkawa First Christian Church.

She was born at Blue Bond, Mo., and came to Tonkawa 70 years ago from Burden, Kan.

She is survived by two stepdaughters, Mabel Creasey and Bendy Stratton, both of Tonkawa; a son, Bert Storm, of Oklahoma City, and a step-son, Lige Bunch, of Tonkawa. Interment was in Tonkawa's IOOF Cemetery.

Tonkawa, Oklahoma

Mrs. Garland King
Nowata, Oklahoma

Dear Mrs. King:

In regard to your letter to Mrs. Mabel Creasey--I am Mrs. Creasey's brother, my name is Elijah Bunch. The names you mentioned in your letter are not familiar to any of us, we do not know much of the Bunch Family background, my grandfather's name was Elijah Bunch, he was born March 20, 1834, we think around Kirksville, Macon or La Plata, Mo., he died at an early age, his wife's name was Emily Cook, she has been dead for several years, during her lifetime we didn't think much about family history, she could ~~have~~ probably have told us a lot.

We might write to some of our relatives at El Reno, and see if they would know anything about it, we will let you know if we learn anything. We are interested in it also, and if you would find out anything, please let us know.

There used to be some other Bunch's in Tonkawa, no relation of ours, you can write to Mrs. A. L. Stahl, 905 E. Oklahoma, Tonkawa, Okla. their names were George, Dave and Emmett Bunch, Mrs. Stahl is a relative of theirs.

It was nice to hear from you, Mrs. Creasey was unable to answer your letter and she gave it to me.

Sincerely,

Elijah Bunch

14 Aug. 1967. ...recent information I received from a daughter of a brother of m great-grandfather, Elijah Bunch stated there were 4 boys and 1 girl that she knew of - Elijah, John, Bill, Pole & Lucinda....the family lived in Laplate Mo.....This lady, Lottie Bunch Geller, is 83 yrs old, living in Calif....she did not have any written records. Her father was Pole, Napoleon Bonapart, born 22 April 1856, the youngewt child, his mother died when he was 3 years of age. Lottie's sister, Helen Bunch Wulz, lives in Lamont, Okla...have visited with her...doesn't seem to be able to add much. The more I study the information you sent and what I've got, it seems there is surely some connection with the James Bunch family in the 1850 Putnam Co., (Mo) census......Since writing to yoyu on my lines, the Cooks have turned up another one. Elijah Bunch was married to Emily Cook and she had 3 sisters and 1 brother. Now find the immediate family members had forgotten about another sister - Gillian Cook, born 26 Mar. 1840, who was married to William Williams.....Helen Bunch Wulz recently...remembered going to Mo. with her father when she was small and they visited some step-brothers of her father.

21 Oct. 1967. ....1860 census shows Elijah Bunch and Emily F. - my Great grandparents, and I've about decided that James A. Bunch was his father. I sent a letter to Mr. Carroll H. Bunch, Hannibal, Mo. and he replied statin his grandfather was James Bunch, his father Rice Bunch, fathers brother, Joel Bunch of Brookfield, Mo. His father had several hald-brothers, one being William Bunch who lived in LaPlata, was a Civil War soldier. Following the war returnedto LaPlata and married the daughter of his stepmother, Cosby Cook. Mr. Carroll Bunch's grandmother Bunch was first married to Valentine Cook. So now through your help in supplying Mr. Bunchs name to me I*ve been able to get good leads on 2 family lines.....now back to 1860 census - the James A. Bunch must surely be the father of Elijah, and the Anne was his 2nd wife....

18 Feb. 1969.....My James A. Bunch m. 2nd Ann (Williams) Cook was listed in 1860 census of Macon Co., Mo. This is the group so mixed up with his children by 1st marriage and her children by her 1st marriage (of which I'm directly descended from both groups and makes it so hard to sort out but thanks to your help with census records I am definately gaining on it. This is how it stands as of now?

BUNCH, James A.	46	Ky	Farmer
Anna (Williams)(Cook)	38	Ky	
Isa (Cook)	16	Mo	
Martha (Cook)	15	Mo	
John (Bunch)	14	Mo	
Lucinda (Bunch)	13	Mo	
Cosby Ann (Cook)	11	Mo	
Alzada or Sadie (Cook)	9	Mo	
Walter (Cook)	8	Mo	
Julia V. (Cook)	6	Mo	
Napoleon (Bunch)	5	Mo	
Rice (Bunch)	1	Mo	

(Rice is a child of the 2nd marriage and his grandson is the Mr. Carroll Bunch of Hannibal, Mo.)

This was really a mixed up family - wonder how in the world they got along?
Also listed (1860) was my great-grandparents:

Bunch, Elijah 26 Ky Farmer
Emily F. 18 Mo "

This ones desmendants is what our Family Reunion consists of. She died about 96 yrs of age and I remember vaugely going to see her when I was about 10 yrs old.

Now according to my line in 1860 the five older Bunch Boys were already gone from home when JAMES, their father, married ANN. We have Elijah listed in 1860 - but William, David, James T. and Isaac N. I haven't located yet - yet in 1870 William is married to Cosby Ann Cook and Binda Cook is married to David (both girls are sisters of Emily) and family legend says one, at least, of the boys was in serivce and I think it is William.......

Do you by chance have listing of children Macon Co Mo...of Henry Bunch and Ann. I'll bet my James (?and brother Henry,) of are one of these families since family legend says relative married Boone.

2 sons of Henry Bunch (m. Nancy Epperson) married 2 Cook sisters.
3 sons of James Bunch (m. Nancy ____), married 3 Cook sisters.
The 2 sons and 3 sons were cousins (family information)
Therefore: Henry & James must have been brothers!

Dear. Mrs. King,

In going through some old genealogical literature loaned to me, I found your name listed as needing information on "Bunch" line. As I am interested in finding more on the Bunch name thought I would write to see if you are still working with this. Am enclosing a stamped self-addressed envelope for your convenience in replying.

Dear Mrs. King,

Thank you so much for your most kind reply. I'm just really getting started with this search as I have only been at it since last October. Just through correspondence and a few borrowed books is the only ways I have had so far. My Bunch line has been real short of information as you can see on the enclosed sheet.

Have just about exhausted all family connections that are close for information. There just doesn't seem to have been many records in our family line anyway.

I do appreciate you sending the Bunch name from New York and if you find in your records some connection would enjoy hearing from you.

Thanks again for your answer.

Sincerely,

Joan Smalley

Dear Mrs King,

It's taken me long enough to get around to thank you for your most informative letter you sent. Finally, received a letter from one of my Bunch relatives. Still have not had a reply to the queries sent Mrs. Taylor or Mr. Dewitt Bunch, Much too busy a time I guess and vacations. Kept thinking I would hear from them before I answered your letter.

The recent information I received from a daughter of a brother to my G-Grandfather Elijah Bunch Stated there were 4 boys and 1 girl that she knew of — Elijah, John, Bill, Pole & Lucinda. My records up to this time have only revealed 2 boys & 1 girl. The John & Bill are the two I've not had any record of — However her letter states they came from the same place as I had them — The family lived in (Laplate) Mo.
(Lottie Bunch Getter) This is the way she spelled it.
This lady is 82 years old, living in California and its the first time I've corresponded with her. Am hoping she will be able to remember more however she did not have any written records. Her father was Pole (Napoleon Bonapart — born 22 April 1856) the youngest Child, his Mother died when he was three years of age.

Lotties sister, Helen Bunch Wulz, lives in Lamont, Okla. and I've visited with her several times during this past year but she doesn't seem to be able to add much to my information either.

The more I study on the information you sent and what I've got, it seems there is surely some connection with the James Bunch family in the Pettman Co. 1850 Census.

I really did appreciate all the helps you sent and I have read and re-read the letter till its getting well worn. It was so nice of you to take the time to send me so much. I know from my own experience how hectic Farm life can be during the Summer months — all other months included also. We're still farming 400 acres and have Brown Swiss Cattle (but not milking) We moved to the motel two years ago so I've missed most of the farm work since then. My job now is to keep 17 Rooms going. The last three weeks have kept me quite busy as my two full time maids decided they didn't want to work anymore so am now looking for replacements. One nice thing about farm life, we didn't have too much of a problem with labor like we have in the motel business.

Since Writting to you on my lines The Cooks have turned up another One. Elijah Bunch was Married to Emily Cook and she had 3 sisters & 1 Brother (my info). I Now find the immediate family members had forgatten about another sister — Gilleain Cook Bor 26 May who was married to William Williams. Its fantastic that the complete brothers and sisters arnt remembered even one generation removed. The Elijah & Emily being my Great-Grandparents. I realize its been a number of years past but it does seem odd to turn up names when you think the ones you have are complete. You can tell I'm still a novice at this.

Helen Bunch Wulz, the one living in Lamont, recently stated she remembered going to Mo. with her father when she was small and they visited some step-brothers of her father — So for me the Bunch line I'm working with seems to be getting more complicated all the time.

Thanks again for your help. Enjoy hearing from you when you have the time.

Sincerely

Dear Geneva,

Greetings---Hardly know where to start, Had several notes written down and now I'm having a hard time figuering them out. This is the first day in 2 or 3 weeks that I havn't felt completely rushed so. We are trying to paint the Motel outside and in so not much spare time. I painted by myself about 3 hours today. It was so nice out, one of Oklahomas better days. The weather delt us a blow a week ago tho and dumped scads too much rain on all the just drilled wheat ground so now it's all to work and drill over plus lightening or an eager Duck hunter killed one of the "big brown cows" over the weekend. Guess that goes with farming tho.

Thanks to your great effort on all the pages you typed and sent-- I now feel like I did have some ancestors back past my G-Grandfather. Gosh didn't realize there were so many "Bunches". The 1880 census you sent established Emily Cook Bunch-Ford and George Ford in Independence Twp, Macon Co., Mo.(Emily who had been the wife of Elijah Bunch). Also Elijahs younger brother Napoleon Bunch and wife Ella in same location--Ella was Sarah Ella Steele.

The 1860 census shows Elijah Bunch and Emily F--my G-Grandparents-- and I've about decided that James A. Bunch was his father. I sent a letter to Mr. Carroll H. Bunch, Hannibal, Mo. and he replied stating his grandfather was James Bunch, his father -Rice Bunch, Fathers brother-Joel Bunch of Brookfield, Mo. His Father had several half-brothers, one being William Bunch, who lived in LaPlata, was a Civil War soldier. Following the war returned to LaPlata and married the daughter of his stepmother Cosby Cook. Mr. Carroll Bunch's- grandmother Bunch was first married to Valentine Cook. So now maybe through your help in supplying Mr. Bunchs name to me I've been able to get good leads on two family lines-- Wouldn't you say?

Now back to the 1860 census-- the James A. Bunch must surely be the father of Elijah and the Anna was his 2nd wife-- and the children listed, some could be step-children I think. It seems odd tho 21 or 22 years difference between my G-Grandfather, Elijah and his brother Napoleon. My Mother says she is fairly certain tho the Elijah, Napoleon and Lunenda were true bro and sister.

I finally received a reply from Mr. DeWitt Bunch. I've sent for his magazine but havn't received it yet. He had been quite busy moving to a new home and was like all the rest of us- -quite busy. Still havn't heard anything from Mrs. Taylor. Will just have to try a second letter to her I guess.

Do you know the Husband's name of the Mrs. Lula Frances (Bunch) Smith- 521 Shelby St. ,Brookfield? I have a Mrs. Bernard Smith, address unknown, daughter of Sadie Cook-Bunch in my family information. Sadie being the sister of my G-Grandmother Emily Cook-Bunch-Ford.

I enclosed copies of my complete Bunch-Cook information. Probably some of it I've repeated over to you and it doesn't give you any help on your lines but maybe someday I'll be able to run into something that will help you. I sent the same copy to Mr. Dewitt Bunch for his file.

The towel and pot holder was just a small bit in appreciation for all the help you've given. My Mother-Blanche Bunch-High- makes these as a hobby. She celebrated her 75th birthday on the 8th and enjoyes doing the handwork. Can't find any more of my notes to myself so guess this is about it for tonight.

Sincerely, Jean

Medford, Okla.

Dear Geneva,

Was nice to get to visit with you the short time on the Fone. Wish the miles were not so far between --who knows what wonders we might work with the Bunch puzzle.

Our Bunch-Ford Renunion is to be held the 4th Sunday in April in the Pavilion at Blackwell, Okla. Why don't you plan on being my guest if possible. This is my great-grandmother Emily Cook-Bunch-Ford descendents. We have had as many as 128 or so in attendenance but not of late. Too many of the older ones gone and the younger ones not interested. We have a coverded dish luncheon at noon then visit in afternoon. I have been trying to get some of the older ones interested in bringing pictures they might have at home to show and last year they did pretty good.

I've been going round and round with names, dates and places but always end up on a dead- end. Wouldn't it be nice for a few minutes to talk with some of the earlier people and see why, how and which way they came.? But then if we had that we would probably want more.

My JAMES A. BUNCH m 2nd ANN (WILLIAMS) COOK was listed in 1860 Census of Macon Co. Mo. This is the group so mixed up with his children by 1st marriage and her children by her 1st marriage--(of which I'm directly descended from both groups and makes it so hard to sort out but thanks to your help with census records I am definately gaining on it). This is how it stands as of now?

This was really a mixed up family wonder how in the world they got along? And I thought I had problems with two children about three years apart. Also listed was my G-Grandparents:

BUNCH-Elijah 26 Ky Farmer
Emily F 18 Mo

(This ones descendents is what our Family Renunion consists of. She died about 96 years of age and I remember vagely going to see her when I was about 10 years old.)

Now according to my line in 1860 the five older Bunch boys were already gone from home when JAMES, their father, married ANN. We have Elijah listed in 1860 under his Fathers name but --William, David, James T., and Isaac N. **I havn't located yet---yet in 1870 -William is married to Cosby Ann Cook and Binda Cook is married to David (both girls are sisters

of Emily). And family legend says one, at least, of the boys was in service and I think it is William.

Now enough of xxxxx this. As many times as we've gone through it--This doesn't help your problem one bit. Someday tho maybe the puzzle pieces will fall into place and xx we will all know who are ancestors were.

Am enclosing the chart I fooled around with made up of information from you and Mr. Dewitt Bunch. If you should know the children of Samuel, James (your g-grandfather) and George, jr. I would appreciate knowing them. I just wonder if my James could have been born of George Junior and Martha Morris. Then again it could be on the Henry and Ann Calloway line. See----It gets you right back at the beginning --no where. Ha.

Golly - I've got to the place anymore where I'm not even sure what is fact and what is guess work. I certainly didn't have much "fact" to go when I started this and realize it more all the time.

Hoping this finds you up and about. Do take care of your foot. I've had a good case of dust allegery since our trip over to the mine. But we did get home with some real nice speciems. We were down about six hours and xx by the time we got back to Medford it was about 10:30 Sunday nite so we were really tired. But guess it was enjoyable or we wouldn't go back.

Take care and write when you can. Always enjoy getting your mail.

Love,
Joan

Say going back through James, Geo. Jr & Samuel George birth & marriage date surely isn't Correct.

? Do you by chance have the listing of Children
for (a a g a) Joseph
(a a g b) Richard
(a a g c) George
(a a g f) James
Sons of Henry & Ann Calloway?

I'll bet my James & bro Henry are of one of these families since family legend says relative married Boone.
I'd better quit now before it gets muddier

Have you read the book by James Vinyard Bunch, d. 1961 James Monroe Bunch? Or know where I could obtain a copy.

Dear Mrs. King:

Thank you so much for the information on the Bunch family. I have been collecting quite a bit of information on the Bunch family of Macon County, Mo. Here is some information on Napoleon Bonapart "Pole" Bunch son of James, b. 22 Apr. 1856 d. 9 Jan. 1946 m. Macon Co., Mo. 11 Mar, 1879 Sarah Ellen "Ella" Steele b. 4 Dec. 1858 Macon Co., Mo. d. 15 July 1894 Macon Co., Mo.

Sarah Ellen was a daughter of William Henry and Charlotte Martha (Graves) Steele. William Henry is the eldest son of David H. and Lucinda (Bunch) Steele. Lucinda and James Bunch were brother and sister and children of Henry and Sally Bunch of Clark Co., Ky. (Ella was not only cousins to Nannie Sunderland but also a cousin to Pole) Ella was my grandmother's Martha Elizabeth (Steele) Perkins sister. I only have four children for Pole and Ella. They are as follows: Eva Lou m. Art Caywood - Helen m. 11 Mar. 1909 E. E. (Mannie)Wulz - Lottie m. Holly Geller (they lived in Los Angeles, Calif.) and William J. (Billie) Billie lived in Portland, Oregon. I do know he was the youngest.

All the above four were named in the estate of their Aunt Phebe L. (Steele) Mathis May 31, 1938 to receive their mother's share of her estate. (No fifth child was mentioned)

A lot of my information has come from newspaper clippings and notes my grandmother had. I was born in Macon, Macon Co., Mo. and have copied most of the stones in the Steele Cemetery as 99% are related families to me. This cemetery has not been copied in any of the 11 books of cemeteries for Macon Co. It is located near Elmer. Actually it is located near what used to be the town of Maple, Mo. Independence Township. Maple is no more.

I have never run across Lorenzo Dow Bunch, b. ca. 1804 Kentucky. I have read most of the Macon County census as practically all of my ancestors were there at one time or another. The census are readily available to me here and I think I should go back through them again. In fact at the Missouri State Historical Society they have practically all the census for every county in every state excluding Alaska and Hawaii.

You said you were looking for your Bunch family in Missouri, did you find out which one you were descended from? Most of my Bunch information is on the families of John, Henry, Joseph and Lucinda and will be happy to exchange information with you. I found where Elijah and family were burried in Clark Co., Ky. Did Mrs. Parke send you a copy of that cemetery I sent her? I could never quite catch up to James family. According to your information I can see why. He never quite lived close enough to the rest for me to catch up with him.

I am sending you copies of some information you should find interesting. It will give you a lot of names of the Bunch relatives. I can place quite a few in their proper families but not all of them.

I am also enclosing a copy of the obituary of John William Bunch son of Henry and Nancy Bunch who married Lucinda Bunch daughter of Col. John and Mary Bunch.

I am also sending you a copy of the newspaper clipping I sent Mrs. Parke.

Perhaps together we can get these families straightened out. I am also enclosing some cemetery records on these families.

Will close for now and get this in the mail.

Sincerely,

Marilyn

Copy of Obituary (My grandmother Martha Elizabeth (Steele) Perkins had this among other clippings) It was either in the Atlanta Or LaPlata paper Macon Co., Mo.

John William Bunch was born in Kentucky August 4, 1832 and he passed to the higher life April 17, 1908, being 75 years 9 months and 13 days old.

He came to Macon County with his parents from Kentucky in 1839 where he has always lived since. He and Miss Lucinda Bunch were married Feb. 8, 1852. To them 9 children were born, seven boys and two girls, three sons and one daughter are now living: Mrs. Martha Atterberry of Atlanta, Milton Bunch living near the old home place, Reuben Bunch and Frank Bunch. Mr. Bunch's wife died Aug. 6, 1897.

Father Bunch was a pioneer in this county. His was a life of hardships incident to a new country. The last few months of his life were those of suffering, due to his care of the sick and to the sorrows falling upon him late in life and to the diseases going with old age.

Father Bunch was a Universalist in his religious faith. The confidence and respect in which he was held by a large circle of neighbors and friends attest the righteousness of the principles by which he lived, which were those of honesty, industry and integrity. His virtues as a husband and father endeared him to his family and relatives generally. It could not be otherwise than that his long, useful and loving life in this community would fill, now that he is gone, the hearts of his children and brothers with a beneficient and refined sorrow, and that his neighbors and friends would experience their keen loss of a good citizen. Besides the four children mentioned he leaves two brothers, Judge H. D. Bunch of LaPlata and Cyrus Bunch of Brookfield.

His remains were laid by the side of those of his wife in the Steele Cemetery, Sunday afternoon.

Mrs. Richard D. Nunneley

Dear Mrs. Nunneley:

Alice Park(who is a delightful woman) gave me your name and address as a descendant of Richard(5) BUNCH of Mercer & Washington Cos., Ky. I, too, am a descendant of Richard; and I'm interested to know if any new info on any of his descendants has come to light since DeWitt Bunch and Geneva King researched him in the 60s?

I've been gathering information on his supposed son, Richard(6), who looks like my ancestor. The thing I wish for most, at this point, is more factual proof that Richard(6) is, indeed, son of Richard(5). DeWitt and Geneva deduced this, from all the available evidence, and it's probably right; but I wish there were more definite proof.

Combining the information from Alice's fine book and Mercer Co. Tax Lists and Censuses, I've come up with Richard(6) and Milly Maddox as the parents of my known direct ancestor, William J. Bunch, b. 1832. Based on census data, they are the only possibilities for his parents. The only other male of the right age is the son of Charles(?6) and Fanny Lyon., later named on the 1850 census as Calloway.

There is an error in DeWitt's assumption that Richard(6) m. a second time to Polly Maddox in 1837. He didn't; his wife, Milly, survived him and is listed as HofHH in 1840. She probably remarried an Abraham Smith in 1840, and was deceased by 1850, when Abraham m. again.

The Richard who m. Polly Maddox is probably Richard(7), son of Charles(6), based on census material. This Richard and wife, Mary("Polly") continue to be listed on Washington Co. censuses for some time. He was a much younger man than Richard(6).

If you're interested in sharing more of this line, I have more info I can give you; and I'd really appreciate anything you have, as well.

I enclose some FGSs. A lot of it is pretty sketchy; but I'm hesitant to include stuff I'm not pretty sure about.

I look forward to hearing from you.

Yours truly,

Candace Voorhies

June 22,1964.

Dear Mrs.King:

I am seeking s ome proof of my great,great grandmother,MARIAH JANE BUNCH. She was born 12-3-1803.The daughter of GEORGE L.and Elizabeth Bunch.

Family records tells the family was from Pennsylvania. But on August 2,1821 she married Eames Love Blewett,and their son was born in Warren County,Kentucky in 1822,so they were in that state by then,and probably before.

Do you know this family of GEORGE L.andELIZABETH BUNCH(BUNSCH)? Do you know nayone who can help me? I shall be happy to send you any data which may help you.

Sincerely,

Wilma Blewett Little

Wilma Blewett Little.

Please overlook all errors-I am trying to teach myself to type.

July 24,1964:

Dear Mrs. King:

How wonderful to have your letter! I am delighted to know that you have the data taht can help me and will send it to me. I will be delighted to repay you for your time.

I have the data from my father's family history,the BLEWETT GENEALOGY,page 77.This book is in the Library of Congress,if you should ever need final proof!.

This is the lineage as recorded in his book-

"James Love Blewett(son of Eli K.Blewett and Betsy Ann Williams--there is DAR Service for both their parennts-I am entered on their Supplemental lines)......on August 2,1821,married MARIAH JANE BUNCH(BUNSCH),who was born Dec.3,1803 in Pennsylvania,the daughter of GEORGE L.and ELIZABETH Bunch.The Census of Warren County in 1850 shows that Eliz. Bunch was still living,age 72.(Mariah Jane died Warren Co.Ky.Sept 15,1843,and is buried in the old Union Cemetary)Her parents,George L.and Eliz. Bunch seem to have been of some wealth as will be seen later,(the settlement of her fathers estate.)

".....James L.Blewett and Mariah Jane Bunsch Blewett, had this issue-

(but not neccessarily in this order)

George L.Bunch^{2},Garland j.Bunch
Garland J.Bunch
Elizabeth(Betty)
Sarah Jane
James sS.
Mary Jane
William R.
Thomas....the Census of 1850 shows their various ages."

This all in the Family History,but if you are interested in their

Marriages, I will try to find them for you, if possible.

You are most kind to offer to help me, and I am sure you know jus

just how much this means to a descendant, trying to establish a line.

I shall look forward to your next letter.

Cordially,

Wilma Blewett Little

Dear Geneva:

You are so dear to have copied all those BUNCH records for me. I do not know how to express my appreciation. Your data is so clear-so well documented. Are you a professional Genegealogist?Or just researching for the fun of it? I love this work. If I could type well enough I might be tempted to go into the professional field. But I do not think I have the training. Just the luck. Did I write you that I-alone- have"proved"19 Revolutionary ancestors since 1959? Seven have been accepted by NSDAR. I have sent two more names in which they are still working on. They would not accept the will. What greater proof is there? I would like to establish the other twelve,but we have had so much sickness I do not think I could stand the strain of compiling all the photocopies,etc.(This is a poorly constructed paragraph.)

Would you like my BLEWETT data? Or are there any other lines I could send you? I wish so badly to repay your kindness. If you will accept it, I would like to send a check. Of neccessity,a small one. But it would help defray the cost of paper,etc.

I notice one record"Early Kentucky Marriage Records",George Bunch,married Elizabeth Spenser-Feb.22,1798,Nelson Co.Ky....Is this my Elizabeth Bunch? The ages are correct as my fathers records tell us that she was"72 in 1850 census of Warren Co.Ky,which would make her 20 in 1798.

Something I should like you to know(sub rosa). Mrs Nora Young Ferguson has done some research for me. I wrote her I had all the Census records on that line(not Bunch) so please not send them. This was all she did send. Then kept writing me to "send me some more money"-her exact words-then after I wrote severalletters asking questions to which I received no reply,I contacted another genealogist. She learned of it and wrote me the most furious letter. So this ended my dealings with Mrs. Fergusom.

I do not keep carbons-my typing is too amateur- so I do not always remember just what I have written. But If I have any futher BUNCH data which you do not possess, I shall be delighted to copy it for you.

The names in my family have been so unusual-otherwise I should not have had the courage to attempt this research. BLEWETT and BUNCH are only two of the unusual ones. Others are COY, CULP, HIGHSMITH, SKILES, YATES, SHIRLEY, SAVAGE. All were in Kentucky after the Revolution. Mostly from Virginia. And all in Warren or Barren Co. SKILES, YATES SHIRLEY and BLEWETT have been established in my DAR lineage. If ever you should need their data, I shall be more than happy to help you.

Shall I keep this data you have sent me or do you wish it returned? I understand I may keep the data from Richard Hanny Bunch, but I am not quite certain as to your own beautifully written records.

Thank you again, more than I can ever express. And do let me hear from you soon.

Gratefully,

Wilma Blewett Little

Dear Geneva:

Am all excited about the publication by De Witt Bunch. But so far have had no word from him about it all. Do hpoe he writes me so that I may subscribe to the manuscript,or whatever it may be,

My MARIAH JANE BUNCH was born in Penn.12-3-1803. Died in Warren Co.Ky.,9-15-1843.I do not know when her parents,GEORGE L.and ELIZABETH BUNCH moved to ky. But they may have been there by 1830. And she may have bben married to James Love Blewett in Penn. Tho I doubt that. They were married 8-2-1821,but I do not have the place. No record that I have shows that James Blewett was in Penn. The Bunch family could have arrived after the 1820 Census. Around 1821.

My Shirley Family was from Adair Co.Ky .Thomas Shirley died there 4-17-1820. He had 11 children and if the names and dates will help you,I shall send rthem. (Originally from Culpeper, Va)

The Warren Co. BUNCH family is probably mine. I will be delighted to have the data on them.

I do hope you and yours have a wonderful Holiday and a Healthy Happy New Year.

Love,

Wilma

Dear Geneva:

Many illnesses,7 surgeries and two deaths have definitely stopped my genealogy these last two years,but I am seeking to start again. I am still searching for the parents of GEORGE L.BUNCH, who married Elizabeth---------? and had a daughted,Mariah Jane Bunch, born 1803,Pennsylyania,died 1843,Kentucky,(Warren Co.)

If you could send me the address of DEWITT BUNCH in New York,perhaps he could give me some clue. You had writtenme that he planned to do a book ob the BUNCH family lines.Perhaps by this time he has completed the work and I can find my ancestors.

I hope life has been kind to you and that the research has been profitable. Do let me hear from you.

Love,

Deatest Mrs. King:

You were so very kind to send me the BUNCH data. I feel certain that the GEORGE L BUNCH and Elizabeth Spencer Bunch are my anvestors, The names being the same and the dates being of the correct time and places are too much to have been coincidental. Dont you agree? Of course,I must establish definite proof. Do have any idea where GEORGE L. BUNCH died? I perhaps could find some record of his estate which would help to pinpoint his daughter,MARIAH JANE BUNCH, who married James Love Blewett.

GEORGE L. BUNCH married Elizabeth Spencer,1798 and my Mariah Jane Bunch was born 1803,which all fits in the puzzle.

Can I send you any data? Do I have any other line you need? I would be happy to return your kindnesses -

Sincerely,

Wilma Blewett Little

Dear Mrs. King:

You must think me mad-and it would not be unexpected if I were. I think I wrote you about all the illnesses,hospitalizations and surgeries in our family this past two years...Naturally my research was pushed aside, with many records. And some of the files were misplaced. So when I wrote you a week or so ago,I had forgotten,completely,about all the BUNCH data you had so kindly typed and sent to me.I found it just a few moments ago.

Naturally,I can see that you could not have any additional data. So please accept my sincere apologies for my seeming stupidity. And one other item..did I send you a check for all the time you spent in typing the records you send me? At the time I received it,I was at the point of exhaustion,so am not responsible for any neglect of the amenities!

Thank you again-and please let me know if I sent a check.

Most sincerely,

Wilma Blewett Little

Wilma Blewett Little.

Typing is so slow and difficult for me I could never manage to make carbon copies-so do not remember just what has been written//

November 7,1966.

Dear Mrs. King:

I was glad to hear from you,and am enclosing a small check to repay(in a small manner) your kindness in sending the BUNCH data.

I do feel that the GEORGE BUNCH and ELIZABETH SPENCER were my ancestors. The name,BUNCH,is so unusual,and to find the given names correct and in the right counties in Kentucky,with the dates also correct for my line,is just too coincidental for the lines not to be the same.But,of course,I keep an open mind -and eye!

Do you know the origin of the BUNCH family? Were they Teutonic? It seems someone once wrote me they came from England. Perhaps so,but originally the name sounds Germanic to me.

If I find definite data on my BUNCH family I shall certainly send it to you.I am so fortunate. So far,I have found 11 Revolutionary Ancestors.Have only sent 7 to DAR for approval and all were accepted.As soon as health permits all the collecting of dacumenatry proof,photocopies,etc.I shall send in more.The accepted line are BLEWETT,SKILES,HARRIS,HAMILTON,WILLIAMS,SHIRLEY,YATES,and the on ones I need documenatry proof on are,BUNCH,VADEN,AUSTIN,GOODMAN,SAVA SAVAGE,BRITTIN WILLIAMS,CULP,ROBINS,If any of these are yours,I shall be delighted to share my data.I have the knowledge these men were my ancestors-I have found where they were in the Revolution,but need just the documentary record to establish it all. My family lived so long,90,96,102,that they lived to tell us all their historical background.My own father is 85 and walks three miles a day! Has outlived 3 wives.I am a rarity here-a fifth generation Texas.Thru the SAVAGE line.Came into Grayson County about 1840. I love all the lore of my ancestors,history and State.Love gathering the data.And all the wonderful"cousins" I have met.

Such an involved paragraph! I perhaps was"carried away" with my sentiment.Perhaps rightly so!

If I can help you in the future,please do not hesitate to write.

Cordially,

Wilma Blewett Little

Dear Mrs.King:

Time has passed and so much has happened in my family-genealogy had been neglected,but now I hope to find time to devote to my favorite pastime.

In one of your letters to me you wrote:" "JOHN BUNCH in Virginia prior to 1658.(There is an interesting legend I will send you later.) I am consumed with curiosity.. can you send me this legend now?

I have checked my records and find no trace ofORLENA BUNCH,but this does not mean she was not in our family. I do not have sisters of my ancestor..MARIAH JANE BUNCH,b,1803..a record says in Pa.,but another correspondant says they were not in Pa.,and that in the old records, ~~they~~ Va., probably was transcribed Pa.Perhaps this is correct.

Your Orlena probably was niece of my Mariah Jane Bunch.

I work regularly on this line-or rather plan to from now on- and shall surely send you any data I may uncover pertaining to your family.

I shall deeply appreciate your sending me the data pertaining to the Warren Co.,George Bunch and his brothers. Did I ever send you the data re my BUNCH family? I do not keep carbons so do not remember just what I send to whom! Please let me hear from you.. Cordially, Wilma

Greetings, Mrs. King:

Holiday time is no time for Genealogy so lay this adide until the rush and confusion is over.

Spent the summer in Kentycky Fishing mostly, and while theremet a very distant Bunch relative and she managed a Rest Home.. and her husband had terrific stroke..She was a BUNCH.. and I spent the day with her..She had letters from a Mrs. Little in Texas and handed me as said she no longer could do Genealogy with husband in his condition. Last night I got out the letters.. and Mrs. Little states she is a great great great grand daughter of Mariah Jane Bunch who married James Love Blewett, 1822, Warren Co., Ky.. and Mariah Jane was daughter of the George Bunch (She has George L.) who died 1832 or 1834, Warren Co. I had written you that I believed my Charles Bunch of Butler Co (who had married 1819 Warren Co to Frances Berry) was a son of George Bunch whose wife was Elizabeth Spencer.. (from these letters I have).

As Mrs. Little has it, Henry Bunch, of Bedford Co., Va., and wife, Ann Calloway, were parents of James Bunch, Calloway Bunch and George Bunch.. Calloways will as you know is 1807, Warren Co., and from his will he had married a Mrs. Nancy Henderson, widow.

I wondered if Mr. DeWitt Bunch ever assembled his Bunch material? Mrs. Little stated Henry Bunch's DAR records had been established. She went in DAR first on the Blewett ancestor.. Mrs. Little did not have any other issue of George Bunch and wife Elizabeth Spencer but her own Mariah Jane Bunch.. Mariah Jane died Warren Co., 1843 per these letters.

I wonderedtoo if your LDS friend in Mesa, Arizona ever ran through the wills of Mercer Co., Ky.. You were going to suggest same to her..Relatives still hope I can solve Charles Bunch's parents.

Mrs. Little had James (son of Henry) Married to Ruth Hibbs, 1791 and she had re-married as widow in 1797 to Aaron Cuppy, ..but she had son, James Bunch.. No other child mentioned. This Charles Bunch of Butler Co named his first son James ..but Charles other son Leander, named his first son George.. and George name son Henry (brother to my sister in law, Imogene Bunch). Imogene about 77 now. I was her in Kansas City around Oct. 1st..

My dear friend Mrs. Cranford Campbell (Zelma) has bought a different home at 600 West Davis, Nowata. Her sister Lucile and husband retired from their work in Wyoming and moved back to Nowata.

Happy Holidays.. Only answer when time permits..

EDWARD M. MANLEY

Dear Vera Steere Thomas:

Have been out of town one week and found your letter here on my return. Your letter surely interesting.

My only Bunch family research was on the one Bunch family of my native Butler County, Ky... so I am helpless in giving any data on your line. This particular family had a Charles Bunch, born in Virginia and settled Butler Co., Ky., long before 1850 and died there just outside of Rochester 1859. His son Leander Bunch married a daughter of my ancestor John Hunt, Butler County. That was where my Bunch interest was...then years later my brother married an off-spring of this Bunch family.

Just heard from a relative of Marion E. Bunch and she thought possibly this Bunch family came from Wise County, Va. That was only last week so I have not had time to do further research.

My grandfather Manley (born 1827, Va.) had one sister Martha marry a Parrish but have never found where it happened Va., Tenn., or Ky - so my Parrish interest remains blank.

Marion E. Bunch has perhaps read historical articles of mine in two county papers of Kentucky, Muhlenberg and Butler, and once I gave some Bunch data of the Butler County Charles Bunch.... but no other Bunch line have I worked on. So I am sorry I am of no help.

The name Sartain is familiar. I have played Hammond Organ in Honolulu for years and one of my mamagers was a Sartain. Believe they hailed from Mississippi. He is a person only in late thirties. but know nothing of the family, only the name.

I will file your letter and data with my Bunch line. I work on so many Kentucky families, trying to help those back there who have no way to do research that I have little tiie for lines that I seek myself.

Thanks for writing.

Sincerely,

Edward M. Manley.

Dear Mrs. Thomas:

I have read your letter that I answered June 27th. I have been out of town since then and just returned. So I took tiie to re-read your letter.

Your chart states Azh. Harrison Bunch married June 2, 1858 to Eliza Frances Sartain... then evidently you know WHERE they married if you obtained the date (unless a bible record and no place designated).

If you do know where they married 1858, then surely they wtill remained that county as late as 1860 and I would advise getting the census of 1860 of the place they married and it would give the birthstate of Zachariah Harrison Bunch, whether Kentucky or Va.

I ran the long 1850 Census of Barren County once but only jotted the Parrishes down as I was chasing them in Barren county for a clue one day but I did not jot down any Sartains, or Bunches there as was not interested in those names from there but Eliza may have been there 1850 but I believe you have your Sartain lineage.

Zachariah was a very common name those days so you can not depend on the will of Clark County, 1794, though I hope it proves yours.

If Richard Marion Parrish was born 1834 Nelson County, Ky there could be chance of their still residing there 1850 and the 1850 census of Nelson County , Ky., may give some important clue for Parrish, where they came from to Ky. Frisco Library perhaps has the 1850 census of all the U.S. in their genealogical department. Our L.A. library has it and takes about two good hours to run a long 1850 census of a county, carefully...some counties had fewer residents but I have spent many, many hours on the 1850 census on micro film, but found wonderful data as it is first one that named wives and children.

I do hope you get more Bunch data. The name always fascinated me.

With best wishes,
Edward Manley.

The army record of Zach. H. Bunch should tell where born. Sometiies the record gives plenty data and again does not, but all are worth getting copies of. The first deeds of Zach H. Bunch in county he was in may give clue where he came from. Often they do.

Dear Mrs. Thomas:

Yours of July 25th received. No, I am not familiar with the American Order of Pioneers, nor any officers.

Your chartsent before had Z.H. Bunch and Eliza as married 1858 but did not state where and as her birth was Barren County, 1838 and marriage 1858, naturally they could have married somewhere else as they moved often those years but I have entered it now as Barren County.

Yes, the Los Angeles Audio Visual Room has the entire census of 1850 for the U.S. It cost the library around $15,000 but every county for 1850 is available but they cannot buy the 1860 as do not have the funds. A few stray censuses are there as people buy the films, like I do, then when they get what they want, they donate the film to the library and some of the films have 6 to 15 counties on them as you have to buy the entire film of county you desire and the others are on alphabetically. Fortunately once I had two counties I wanted and they were on one film. I paid $9.90 each for my films, plus 15¢ money order fee.

I note you have a Rohne. I have a Rone, full blooded Dutch. Mine were in Mecklenburg County, N.C., early, around 1800 - never have straightened them out yet. I went there two years ago also but had little time.

I know no one working on Parrishes, sorry. I am seeking the one who married grandfather Manley's sister Martha Manley. Don't know where, if Virginia, Tenn or Ky.

The L.A. Library opens 10 A.M. daily and when I want to do a film, I rush to the Audio Visual room and get booked. You are allowed two hours at a film machine but not consecutive hours - and if no one on the machine's, then you can work long as possible. Somedays I have worked 6 hours. Had I the time I would do again the Barren County 1850 and see what I found for you. I am trying to return to my music profession and have let genealogy go for past three weeks and put music back in the brain - stead of ancestors. I will leave Sunday for week for San Diego to my Musician Home Local and see what are prospects of work. I have to get Social Security credits before the year ends.

I have no data on your lines you named in New England - except the library here has much as it is a great genealogicallibrary. We had access to all books but of lately hundreds were put in locked room. Too many were stolen so a girl gets the books but such a delay. Of all your lines Bunch is the only familiar one to me in all my vast research and sorry I never dug in that before but as I stated only that one line interested me.

I am a very swift worker on census films and never can I do justice to a long county census of 1850 in less than hour. Few were short but the populated counties usually take me over hour and I work so swiftly as have learned to scan

scan the pages as I have been at it so long. (I turn pages so as not to accumulate thousands of extra sheets of paper.)

Did you have the deeds of Barren County searched for any estate settlement and sometimes give worlds of information. Just located one in Logan County, Ky., that settled something I've worked on years. Often they sell property when ancestor dies and divided among all heirs and each named.

I jotted all the Parrishes in 1850 in Barren County but of course yours were in Nelson County.

I wish Glasgow, Barren County, was little closer to Bowling Green as a cousin School teacher is thorough researcher and writing history of the Forgy family this summer (with all the help I have given) and she could look in deeds and old court records for clues but Glasgow quite a drive from Bowling Green. I intended going back but gave it up.

Thanks for writing again and sorry I have not worked on other lines of yours and were I not returning to my music profession I would delve a bit in the vast library here. Some of the old census films so faded and always prepare yourself with large magnifying glass. The library used to loan them but someone would steal them so they quit it. But certainly a large magnifying glass helps when on a faded census and especially a peculiar handwriting of old. I have learned to read the old writing. They made a double "s" like an "fs", and many people read that wrong. Like Ross and they read it Rofs. I understand they have a more modern way now to bring out the faded writing but costs too much to re-do the entire census that have been released to the public. The entire 1890 census was burned so one has to depend on tax lists and the 1900 not released yet but supposed to be released after 50 years.

Sincerely,

Edward Manley.

Dear Mrs. King....

Your letter of Feb. 26th today, concering Bunch family. We have never established the ancestry of Charles Bunch, of Butler County, Ky. He married 17 Aug. 1813, in the adjoining county, Warren County, to Frances(called Franky) Berry, daughter of Enoch Berry who left will 1822, Butler County. Ky...Enoch , Revo. soldier out of Virginia... Shortly after marriage (a few years) Charles Bunch resided for rest of life Butler County, Ky. and died there 1859. My earlier relatives and my brother married into his descendants. That was my interest in Charles Bunch. His off-springs carried the name of Calloway (and recorded Caloway and Callaway) so that was a family name. Charles Bunch born 1797 (per census age) in Va., and in Warren County, Ky., 1808, is the will of Caloway Bunch...so you know there was some relation there...as Charles named a son William Caloway Bunch..called Cal all through .life.

Also in Warren County , Ky., as of 1831, one Robert BUnch applied for pension and was 75 years old as of then. I have never gotten his pension record data ...but am sure he, too, was out of Virginia. We have never established the county in Va., these Bunch families were from... I jotted notes on Calloway andCallaway families in Virginia early censuses trying to establish where Bunch and Caloway families were both, as could pin down the county, but have not do so as yet....

I know of no interested descendant to whom I could refer you. Two older ones, interested, both died recently in North Carolina where they taught for years after leaving Butler County. All descendants I know depend on my research....at my expense and their pleasure after I find...so I just stopped. Sorry I have been no help. I imagine yours had a mutual ancestor some where way back in Virginia. Sincerely,

Edward Manley.

Evening..

Dear Mrs. King...

Yours today. Interesting about the Henry Bunch- Richard Calloway record. I have always contended when found Calloway and Bunch families in same Virginia County, we would have the CLUE for the Bunch families of Warren County, Ky., into Butler County, Ky.. and some children of Charles Bunch into Illinois... I do appreciate. I have always been interested in the Bunch family (as sister-in law a descendant) but I have not gone directly into it as one of my own lines as I have had to help hundreds of others. You should see today's mail asking for help. Thanks for the stamped envelope...The other strangers writing not that thoughtful.

The will of Caloway Bunch.. (Recorded Jan 4, 1808...Book A, page 91
Warren Co Ky.

The copyist did a bad job when the abstracts made for the libraries).. Wife was Nancy....and to-"All my children , William, daughter Patsey (which means Martha) ...Simeon, Elizabeth...Pamelia, Poly..."as they arrive of age."

I was disappointed as no son Charles named as he is one who went into Butler County adjoining and started the Bunches I am familiar with....

An elderly Kelley cousin just had 80th birthday and last year became so interested in the family history and lives alone at Bowling Green and in his unexperienced way he tried to get as many Bunch records as possible..but he has been "snowed" under...very feeble..His wife was Mattie (Martha) L. Bunch, daughter of Leonidas (called "TEE Bunch") who was son of William Calloway Bunch, son of Charles Bunch who married 1813 Warren County to Frances Berry, daughter of Erock Berry of Butler County, Ky.. Erock Berry's will 1821, Butler County, Ky... The daughter Frances (Berry) Bunch went throuth life as Franky Bunch....

Separate sheet will have Charles Bunch's children
I see in note I jotted, there were Calloway wills in Bedford, Isle of Wight and Princess Ann Counties. I made note of Louisa County, Va. wills of David Bunch, 1776, Jno., 1777, (will)...Samuel Bunch, 1783 (will)... but no abstracts....

Back to Will of Caloway Bunch..I find another abstract evidently I made personally at Bowling Green... and better than the first one...

Will Book #1, page 91...Caloway (or Calaway) Bunch...wife Nancy....All my children, William, Patsy, Simeon, Elizabeth, Pamela (or Pamelia) Polly....
Extrs. were Nancy Bunch, wife and brother George Bunch....
witness, David Hudspeth, William M. Williams, and Karah (?) Wilkerson...
Recorded 4 Jan. 1808...

Of those children listed...son Simeon Bunch married Aug 7, 1817, to Minnie Briggs, performed by William Harris (In Warren County) and daughter Elizabeth Bunch married Nathaniel Covington, Aug. 9, 1810.. The Covington History very interesting...and some of these Covingtons branched into Butler and intermarried with relatives , I suppose...also Covingtons in Logan County adjoining...When doing one county, have to do all three.... The main genealogist of Russellville, Logan County, writes me 5 times weekly...she is preparing for DAR National Convention at Washington D.C.

Pardon my crude typing. I try to type as rapidly as I play my Hammond organ..I am an organist, not a typist..

[illegible] Co Ky

Richard Bunch, Revo. Soldier...age 75 as of 1831...evidently applied for pension andhope you do get some data that will tie in , in Virginia..

Then up in Butler County one of Charles Bunch's daughters, Elizabeth, married John P. Covington..so imagine cousins married, etc... all points that way....

I wonder if you are Latter Day Saints by asking for births, etc.

The name Henry Bunch was carried down the line..whether from ancestry or by accident...

Charles Bunch had son Leander marry Elizabeth Wayne Bunch in Butler County, Ky (she was older sister of my own maternal Grandmother who died age 97)...and Leander had son Henry Bunch who married a Kinninmouth girl of Butler County..the Kinninmouth family first in Warren County,Ky. (from Scotland to Warren County, then into Butler County at my birthplace Rochester, Butler County, where the Kinninmouths were leading business men in days of old..the town is a ghost town now.

My brother married Imogene Bunch (recently last August 25th had 50th wedding anniversary)...and Imogene, daughter of George, son of Leander, son of Charles Bunch... and my sister-in-law Imogene had the loveliest brother Henry Bunch who died last year or so....a wonderful fellow.

William Calloway Bunch, son of Charles Bunch hadfour wives and I believe four sets of children which has complicated matters... He was called "Cal" Bunch....

wife #1...Elvira Jameson, married Logan County,Ky. Jan 2, 1838 and this wife died at birth of child Leonidas , called "Tee" Bunch through life.

wife #2...Helen Berry....and in census she and husband William Calloway Bunch resided with old Joel Berry....and this Helen was born Illinois, so shows some of the early Berry families went to Illinois and returned to Butler County and how I have tried to trace this Joel Berry in connection with Enoch Berry whose will recorded 1821 Butler county , but no son Joel mentioned.... anyway, all related...

By wife Helen there were Thomas J. Bunch and Edwin...and believe later, this Thomas J. BUnch was county Clerk of Butler for some time.

wife #3...Evaline Turner..married 14 May 1853 Butler County..Book "A", page 88....

wife #4....Emily F,Barbee, married 12 Sept. 1864, Butler County,Ky... Book #3, page 445...issue 6 known...Alice Myrtle, Jesse Barbee, Joseph, Bettie(Elizabeth), George Whitesides and Marion Edsel Bunch. This last Marion Edsel Bunch ~~just~~ died Nov. 5, 1958, in North Carolina.. he and wife, Montie Taylor, daughter of famed James Pendleton Taylor, Baptist minister of Butler county .....and Marion and wife were both such prominent school teachers...I am not sure if Montie died lately or not, but too feeble to write....A cousin went to see them in Carolina just before Marion died....

~~Both wives of Leonidas Bunch buried Rochester cemetery, Rochester, Ky.. Elvira Jameson born 1839~~

Leonidas Bunch born 1839, died Jan 8,1909...buried Rochester cemetery, Rochester,Ky....wife Virginia J. McKinney, born Aug 30, 1850, died 8 April 1910..buried there also... Am sure all these dates not of interest... Thanks again for data sent....Anxious to know if Robert Bunch Revo. record will reveal anything... Sincerely, Edward M. Manley

Dear Mrs. King;

Thanks for all the Bunch data that arrived. Will study it all as time permits. I was glad to send what I could before. Am glad you are working with an LDS lady on Bunch as she may unearth something interesting as often they do . It is interesting.

You ask about Nancy in Calloway Bunch's will, Warren Co.,Ky. Half the time the name ANN had NANCY before it...and just recently vice versa with one girl in Nelson county, Nancy Ann Newman married William Luce (both buried Butler County, KY) and her gravestone has ANN....instead of Nancy Ann...so guess she went by ANN through life. It seems my cousin (now in 80's) investigated the early Bunch deeds as he resides Bowling Green....but guess there was no clue where Calloway came from...and Mercer County is all new with me....so I cannot state if that is the same Calloway as Warren County.....all a puzzle and one should be there to go into the records. I MAY get to Ky. this summer, may not. And you had one Charles Bunch marrying also in Mercer County, 1808....but I do know the Warren County Charles married 1813(or so) to Frances Berry....she could have been a second wife, we do not know if the Charles of Mercer and Warren were the one and same.

You give one Calloway 1810 census of Mercer County and Calloway's will 1808, Warren...another puzzle... I cannot state.

I am wondering when you asked for the Richard Bunch Revo. record if you mentioned he was in Warren County, Ky. .... and wonder how he was listed Warren County if from Washington Co., unless visiting a son or some one of the family.

Just last week I had waited for one Peter Shull Revo. record... He was from Penn...and had settled Ohio County, Ky., across river from Paradise, Muhlenberg County....and was so surprised his pension application made in White County, Ill. where so many early pioneers left Muhlenberg and went there...two of his daughters had married and settled there....so the record brought in White County, Ill, that we had never heard of connected with the family....such could be case with Richard Bunch.

I do appreciate all the Bunch data to file with mine. Some of the older Bunch descendants still alive....or were couple years ago, in N.C., from Ky., suggested I investigate Wythe Co.,Va., for our Charles Bunch.... but I do not know where she got the idea.... I have no bright idea how we can untangle the Bunch mix-up....but again I thank you for all the data.

Yet...Calloway married Ann Henderson 1794.. Mercer Co.,Ky. and in Calloway's will, he names Joseph Henderson, son of my wife, so there is the name Henderson that certainly has a great bearing ...and Henderson family should be investigated Mercer County to see if Ann Henderson a widow .....very doubtful the child an illigetimate ...and when you find a will naming Calloway and a brother George(his administrator) then you will have a FIND....

Calloway's will 1808 named 6 children and they had been married since 1794....and he mentioned "As they became of age" so were minors... so I believe wife Nancy was the Mrs. Nancy Ann Henderson....odd that name Henderson in marriage and in the will....Wonder what wills Mercer county has, if any Bunches? We know he had a brother George, so that is the clue to work on.

Bunch is a pleasant name to work on. Some names I just LOSE all interest. Ha. So all I can say is THANKS until something concrete shows up.

Sincerely,

Edward M. Manley

Enclosing postage you were out, Thanks.

My first work would be to see if Wash. Co. or Mercer Co. had any deed, division of land (estate) of Richard Bunch as all children would have to be name. The Peter Shell record I just received gave all children in his pension file.

Dear Mrs. King:

Am wondering if still you are in Nowata? I just returned from my annual jaunt to Kentucky and did want to stop Nowata badly to see my life-long friend, Mrs Cranford Campbell... but as I flew into Springfield, Mo., 4 pm July 16th, my lady cousin met me with her husband...and within one hour she dropped dead as I was alone with her while husband at store. How shocked I was...Ruined my stopping in Nowata.

I am wondering if your friend ever found anything definite on those Warren County, Kentucky Bunches? One dear old soul, 83 last July wants so badly to trace the Bunch family and find where in Va. they did come from...He also descends from my Hunt family...They all depend on me for research. The Calloway family of Va., definitely CONNECTED closely.

You may forget but Calloway Bunch left will 1808, Warren Co., Ky., naming Brother GEORGE Executor...and named one Joseph Henderson, son of my wife..so seems the Calloway Bunch marriage to Ann Henderson, 1794, Mercer County, Ky. was this Calloway of the 1808 will and he had married a widow, Ann Henderson...

Then I chased GEORGE BUNCH last year and he died Warren County 1834 and wife was Elizabeth..but that county has no deeds naming heirs like other counties, nor any estate settlements...so I am lost there...

The Charles Bunch who married 1813 Warren County to Frances Berry, daughter of Enock Berry, is the one we desire parentage. Charles had 10 children.(I sent you) and one was Leander and Leander married in my Hunt family and named first child GEORGE (g.f. of my sister-in-law, Imogene Bunch Manley)..

I think Leander named his son George after the GEORGE Bunch, who MAY BE father of Charles...also I understand this Charles Bunch has "C" in his middle name so I bet it was CALLOWAY.

Anyway, I am still struggling to find ancestry of the Warren County, Kentucky Bunch families. All good wishes,

Edward M. Manley

P.S.

Since our 1960 correspondence..On May 26, 1963, eight Japs ran into Brother-in-law's car here..a HEAVY Dodge that saved us...and nearly killed Brother-in-law, my two sisters and me. We will never be the same...I spent 58 days in hospital... and then they had nerve to sue brother-in-law after running into us, skidding 65 feet and knocking us 45 feet, etc... It was a worry as they sued for $120,000 ....but only last week (two years and three months) all settled out of court WELL within Brother-in-law's Insurance of $50,000 . So that worry over for sister and Brother-in-law are Senior Citizens...

Dear Mrs. King:

I appreciate your taking time to send the Bunch information. Interesting about the Bunch Publication. I am sure I know one lady in Kentucky who will subscribe.....she descends from the Charles Bunch in Question...Warren County to Butler County,Ky. I'll write her this week-end. She owns a Rest Home and LIVES Genealogy.

I cannot help but believe, Charles was a son of that George Bunch who died early there in Warren..and Callaway's will mentioned his Brother George as Administrator, or something.

Thanks for the Bunch Descendant names...and addresses. I wish the George andElizabeth descendant of Fort Worth could locate all of George andElizabeth's children and we would have that much solved.

That is an interesting article on Hon. Simeon W. Bunch. Thanks. I'll file all. I may file a copy with the Simpson County, Ky. Historical Society..They are quite active and all Simpson records burned when Court House burned so they are anxious to get what data they can.

Again THANKS. I'll try not be a pest.

That Mrs. Cranford Campbell(Zelma) is like an Angel. Never met a truer friend in life. She is not well. Has one sister (Lucile)younger. Believe Lucile lives Wyoming.

If ever Charles Bunch' ancestry proven, I'll send word.

Sincerely,

Edward M. Manley

Dear Mrs. King..

Thanks for the Bunch data.. I'll file all. You mentioned the Leander Bunchdata... I expect I gave it to Edith Bennett (the girl who completed the Book by Lenora Lindley).

Lenora died and Edith decided to finish the Book but my, how she has been criticized for putting in all the Bennett-..and other data that in no ways has anything to do with how Lenora started the Book. I did not even order one. Edith knew nothing of any of her kin, excpet her MA and Pa until she met me about 8 years ago and she went in it head over heels. She is the main PERSON in the big Radio Station at Owensboro,Kentucky..a very Stout girl, single..about 32 or 33. Thanks just the same. Edith's addition to the Book had nothing to do with Slavery but some one may benefit from the data she supplied.. She did not know she descended from the Bunch family until I told her. Ha. I keep in touch all the time.

Thanks again. I have nothing new on CharlesBunch.

Sincerely, E. M. Manley

P.S. The data she gave of the lines back to Magna Charta also fro-m me and she had no permission whatever without using the SOURCE which she did not publish...WURTS Volumes..

Your letter forwarded here. Am here for 5 weeks "House sitting": A violinist and wife wanted to tour Mexico and ask me stay in their home.

Left here 1950 so am thrilled to return to my Paradise. Fabulous now.

Can't answer Bunch data until home. Have 4 more weeks here.

Greetings, Mrs. King..
Holiday time is no time for Genealogy so lay this aside until the rush and confusion is over.

Spent the Summer in Kentucky FISHING mostly..and while there met a very distant Bunch relative and she managed a Rest Home..and her husband had terrific stroke...She was a BUNCH..and I spent the day with her..She had letters from a Mrs. Little in Texas and handed me as said she no longer could do Genealogy with husband in his condition. Last night I got out the letters..and Mrs. Little states she is a great, great great grand daughter of Mariah Jane Bunch who married James Love Blewett, 1822, Warren Co.,Ky..and Mariah Jane was daughter of the George Bunch(She has George L.) who died 1832 or 1834,Warren County..I had written you that I believed My Charles Bunch of Butler County(who had married 1813 Warren County, to Frances Berry)..was a son of George Bunch whose wife was Elizabeth Spencer...(from these letters I have)..

As Mrs. Little has it, Henry Bunch, of Bedford Co,Va., ~~was~~ and wife, Ann Calloway, were parents of James Bunch, Calloway Bunch and George Bunch.. Calloway's will as you know is 1807, Warren Co., and from his will he had married a Mrs. Nancy Henderson, widow.

I wondered if Mr DeWitt Bunch ever assembled his Bunch material? Mrs. Little stated Henry Bunch's DAR records had been established.. She went in DAR first on the Bleweitt Ancestor...Mrs. Little did not have any other issue of GeorgeBunch and wife Elizabeth Spencer but her own Mariah Jane Bunch...Mariah Jane died Warren Co.,1843 per these letters..

I wondered too if your LDS friend in Mesa,Arizona ever ran through the wills of Mercer County, Ky...You were going to suggest same to her.. Relatives still hope I can solve Charles Bunch's ~~xxxxxxo~~ parents..

Mrs Little had James (son of Henry) married to Ruth Hibbs,1791 and she had re-married as widow in 1797 to ~~xxxx~~ Aaron Cuppy, ..but she had son,James Bunch. ..No other child mentioned. This Charles Bunch of Butler County named his first son James...but Charles' other son Leander, named his first son George..and George name son Henry(brother to my sister-in-law,Imogene Bunch). Imogene about 77 now. I saw her in Kansas City around Oct. 1st..

My dear friend Mrs Cranford Campbell(Zelma) has bought a different home at 600 West Davis, Nowata..Her sister Lucile and husband retired from their work in Wyoming and moved back to Nowata..

Happy Holidays...Only answer when time permits..

Edward M. Manley

HON. SIMEON W. BUNCH

The fortunate possessor of 205 acres of as good land as there is in the beautiful township of Sparta, our subject is one of the progressive farmers and representative citizens of Christian County, Missouri, where he has long made his home. He came originally from Simpson County, Ky., born in 1832, and his parents, William and Malinda (Roark) Bunch were probably natives of Tennessee where they were reared and married. About 1831 the parents moved to Simpson County, Ky., and there the father died about 1833 when in the prime of life. He was a farmer by occupation and a soldier during the Black Hawk War. He was the son of Calloway and Nancy Bunch who died in Warren County, Ky., when our subject was but a boy. The latter belonged to the old Va. family of Bunches. After the death of her husband, the mother of our subject married Joseph Cook, of Ky. and in 1837 removed with him to Taney County, Mo., where Mr. Cook died a few years later. Afterward Mrs. Cook made her home with her children and died at the home of her son in Miller Co., Mo., about 1883. She was a Free-Will Baptist in her religious views. When she and her husband first settled in Taney County their nearest neighbor was ten miles away and the country was a wilderness enhabited by Indians and wild animals. Our subject is the youngest of 3 sons and 2 daughters: William, diedduring the war and left a family; Nancy, was the wife of J.B. Cook and died many years ago, leaving a family (Mr~~s~~.Cook was murdered for his money during the war); James was a farmer and was in the East Missouri Militia during the war (he died in Miller Co. Mo. about 1887); and Elizabeth, died in Kentucky when young. Simeon W. was reared on a farm in Taney Co. amid the rude surroundings of pioneer life and had limited educational advantages. He remained with his mother until grown and in 1855 was married ~~it~~ to Miss Martha Jackson, a native of Green Co., Mo., who bore him 11 children as follows: John M., a merchant at Little Beaver, Douglas Co., Mo.; James, died in Ozark, leaving a family; William Berry, married Miss Elizabeth Fitch, who died, leaving 4 children, 2 now living; Mary Elizabeth, wife of A.C.A. Sechler; Charles,M., a clerk at Ozark; Eliza M., married John ~~W~~. Fitch and died, leaving 2 sons; Alex, married Miss Laura Adams and died, leaving his widow and an infant; Benjamin F., now of Texas, married Miss Blanche Wood, daughter of J.B. Wood; Martha A.,is the wife of Wesley Eledge, of Carroll Co., Mo.; Ellen and Elbert, twins, are at home. Mr. Bunch lived in Tayny Co., Mo., until 1862, then he removed to Polk Co., Iowa,but remained there only about a year when he moved to Illinois. From there he moved to California, Mo., and in 1866 purchased a farm in Jasper Co., Mo., where he made his home until 1888 when, owing to the ill health of his family, he returned to his old home in Taney Co. There he resided until March 4, 1889, when he came to his present farm. He is engaged in stock-raising, and grain growing, and also raises considerable fruit and has one of the best farms in the county. Although born in the South, Mr. Bunch was a stanch Union man during the War, but never took an active part. He was never molested by either Army. Since his first presidential vote, which was cast for James Buchanan in 1856, he has affiliated with the Democratic party and he has held many of the county offices. In 1856 he was elected assessor of Tangy Co., and held that position for 2 years, When Taney Co. included a part of Christian, Stone and Douglas counties and embraced his present farm. In 1858 he was appointed to the same office, holding that position 2 years and so ably and well did he discharge his duties of the same, that he was reelected ~~to represent Taney Co in the legislature~~ in 1860, serving until interfered with by the War. In 1870 he was ele cted to represent Taney Co in the Legislature and served on the committee on county boundry, etc., and introduced several important measures, although none became laws. Again his services were appreciated and he was reelected in 1872. In 1874 he was offered the nomination, and was even solicited by Republicans, but refused to accept the nomination. In 1892 he was pr~~e~~ ~~[illegible]~~ vailed upon to accept the nomination for the same office in Christian Co, but positively refused. He was a prominent Mason, and now hold membership in Friend Lodge, No. 352, at Ozark. For many years this worthy citizen has been a deacon in the Missionary Baptist Church, and the entire family hold membership in

the same. Mr. Bunch is very familiar with the pioneer days of Taney County, and contended with the hardships and privations incident to that early period. In those days people went to Booneville with ox teams to do their marketing and were 5 of 6 weeks making the trip. The nearest mill was north of Springfield, 54 miles away, and when attending church, the men carried their guns to protect themselves from wild animals.

EXPLANATION OF ORDER FOR PHOTOCOPIES

Please use the other side of this form to order photocopies of records relating to a person who served in the United States or Confederate Armed Forces. We can furnish photocopies relating to the following subjects:

a. United States (not State) pensions claimed on the basis of service before World War I;

b. United States (not State) bounty lands claimed on the basis of service before 1856;

c. United States military service performed after 1774 and more than 75 years ago and Confederate military service. (NOTE - We do not have information relating to military service rendered before the Revolutionary War.)

Send us the completed form with one dollar. If you send more than one form at one time, your remittance should be for as many dollars as you send forms. Each order will be handled separately; so you may not receive all your photocopies at the same time. Be sure to enter your name and address on each form.

If we find a pension or bounty-land warrant application file which we believe relates to the person in whom you are interested, we will send photocopies of the documents we think most likely to be of interest to you. If no pension or bounty-land warrant application file is found, we will furnish copies of the military service record if one is available. If we do not find a file that appears to pertain to the person in whom you are interested, we will refund your money.

The military service records rarely contain family information. Furthermore, the record of a man's military service in any one organization is wholly separate from the record of his service in any other organization. We are ordinarily unable to establish the identity or nonidentity of men of the same name who served in different organizations. If you know that a man served in more than one organization and you desire copies of his military service record, a separate form and one dollar fee should be submitted for the service record in each organization.

Additional copies of this form will be sent to you on request.

As far as I can determine William Bunch was from Kentucky (county unknown). I do not have the name of his wife. He had 9 sons - one named Simeon and another James Monroe (1826-1885). Of the other 7 I have no record concerning them.

James Monroe was in Taney County Missouri in 1854 when my grandfather, John William "Will" was born. They left Taney County in 1861 or 1862, and moved to Iowa for one winter. (Polk Co.?) The family was greatly divided due to the war. James Monroe returned to Missouri the next spring, due to the fact that the cold Iowa winter was too much for his rather frailwife, Diddenmeyer Elizabeth Elliott Bunch. Upon returning to Mo. James Monroe joined the Missouri Home Guard (Union). I have no idea what he did with his wife and house full of small children in the interim.

Following the war they settled in Miller County, Missouri, near Eldon. He and his ~~#1~~ first wife are buried in the Dooley Cemetery, 5 miles southwest of Eldon, in the old section of the cemetery near the Dooley lots.

Most of their children remained in Central Missouri. Malinda LeHew the only child from James Monroe's second marriage, moved to Falls City, Nebraska, and lived there until her death. The grandchildren of James Monroe and their descendants are scattered all over the U.S. and some are abroad.

James Monroe was born in Kentucky. According to my father, the family is of Scotch-Irish ancestry. Another fact that seems to be true is that they were originally from Virginia and were Presbyterian. A check of old records in Presbyterian churches in Virginia and Kentucky might substantiate this theory.

My great-grandfather James Monroe was never affiliated with any church but his wife was a Baptist. This may account for the fact that our branch of the family belongs to this denomination (for the most part).

Family characteristics - light complexioned, red hair, blue eyes, quick Irish temper.

Dear Mrs. King,

I last heard from you in 1966. Now I am earnestly renewing my search for the parents of Simeon Bunch (born 9/9/1775). Could he be a brother of the Calloway Bunch who married Nancy Henderson? Did he descend from Henry and Ann Calloway?

I have completed research on Jess Boon (+ Keziah) back to Isle of Wight Va. in early 1600's. They had 6 children and it was their Celia (B 3-8-1777) that married Simeon Bunch (B1775). You sent me a copy of a letter from Mrs. Lettie Grove

Dear Mrs. King

Even though you letter was discouraging, I am so grateful to you for answering. I've been paying a very competent researcher in Salt Lake to trace this Bunch - Calloway line and she could find nothing either. I feel if she couldn't - probably no one can. I will write Mrs. Park and send her any thing she wants on Rhoda Boone Bunch. I don't see much point in pursueing Simeon any further!

Thanks again

I just hope some one knows who my Simeon was.

Gentlemen:

I am desiring information concerning Daniel Boone and his descendants. A Miss Boone, evidently a granddaughter of his, married Mr. Simmy Bunch of Kentucky. Their daughter, whose given name I do not know, married Andrew Hodge. Their children were Thomas, Judith, Martha, and Susan. Susan is the daughter from whom I am descended.

I know this Miss Boone that married Simmy Bunch is a descendant of Daniel Boone. This much of this information has been handed down from generation to generation. It is about this missing link that I am searching for information.

Are there any records concerning Nathan Boone and his descendants?

If you can find any records concerning these two Boone brothers and their descendants, I would be very happy to have this information.

If you have no records, could you advise me as to where I can obtain the material I am seeking?

If there is any charge for sending the records which I seek, I am willing to pay the fee.

Sincerely yours,

(Mrs.) Lettie R. Grove

Dear Mrs. Grove,

Due to a lack of time and staff, we cannot undertake extensive research in the field of genealogy. I am enclosing a list of genealogists who may be able to help you.

According to *The Boone Family*, by Hazel A. Spraker, 1922, Nathan Boone was the youngest son of Daniel. He married Olive Van Bibber, and had the following children: James m. Polly Allen; Delina m. James Craig; Jemima m. Henry Zumalt; Susan m. Joseph Van Bibber; Nancy died young; Olive m. Phil Anthony; Benjamin Howard m. Mary Stallard; John Coburn m. Molly Wardlow; Levica m. William Cawlfield; Melcina m. 1st James Howard and 2nd Franklin T. Frazier; Mary m. Alfred Hosman; Sarah m. Winfield Wright; Mahala m. Robert C. Printy; and Mela died when a child.

No Bunch is listed in the index to this genealogy of the Boone family.

Mrs. J. H. Buchanan, Historian of the Boone Family Asso., 905 Boylston Avenue, Apt. P., Seattle 4, Washington, has been doing a great deal of research on the Boone family and may be able to help you further.

I hope the above information will help you.

Sincerely,

Frances Coleman

Dear Mrs. Nunneley,

I am attempting to do some genealogical research on my grandfather Enoch B. Bunch. Born 2 mar 1817 KY., died 13 Sep 1878, Mo.

Mrs Lee S. Park of Washington D.C. gave me your name and address, thinking some of the Bunch research done by the late Geneva King might help us located some information.

according to Census records he was in Missouri in 1850 and was born in Kentucky. He was married 4 times to Lucy Ann ? 1ST wife, Rachael Burk 2ND wife, Elizabeth Russell 3rd wife and my grandmother Elizabeth Caton was his 4th wife.

If you should have any information leading to his Father's name I will Certainly appriciate it.

I am most willing to exChange information and will gladly pay any cost incurred for coping.

Sincerely,
John L. Bunch

Dear Dr. Gray:

I have recently noted your query in the Virginia Genealogist of July-Sept, 1985, pertaining to Jonathan Gray married Sarah Bunch.

A thirty-year collection of Bunch records compiled by the late Mrs. Geneva King of Nowata, Oklahoma came into my possession at her death. Mrs. King, a distant relative of my husband, was a wonderful and sharing Bunch genealogist. A great deal of the Bunch material in the book, Park/e/s and Bunch on the trail west by Alice Crandall Park came from Mrs. King's records.

When I see a query pertaining to any Bunch, I check the files and add such information which might update what is now available. In checking your query concerning Jonathan and Sarah Bunch Gray, I was quite surprised to find what appears to be an error in these records, unless your Jonathan Gray is a different person than listed in the records I hold.

Mrs. King had a notebook of the family of Henry^4 Bunch which consists of over 200 pages of group sheets, service records and correspondence and such. I have gone lightly over this material trying to find any information for any Gray name. The only one I find is Jonathan who is supposed to have married Matilda Bunch, dau of Joseph^5 Bunch.

I am enclosing some Kentucky county material and a page from Mrs. Lee I. Park's book. You may already have this information.

If possible, I would appreciate any information you have concerning the marriage of Jonathan Gray and Sarah Bunch to correct the Park book and Mrs. King's records. The information concerning the will of Joseph^5 Bunch in which he names his son-in-law and daughter, Jonathan Gray and Matilda Gray may also be in error even though a source is listed. The will is not a part of the Bunch records I have, only the source.

Good luck on your Gray research.

Sincerely,

Mary

Mr. John L. Bunch

Dear Mr. Bunch:

Received your Bunch inquiry from Temple – I've an aunt and cousin living in your city and have visited there on occasion.

From the workbooks of Mrs. Geneva King, it appears that the ancestor you seek, Enoch B. Bunch, is Enock Berry Bunch, son of Charles Bunch, b 1792/93 of VA and d 1859, Butler County, KY. Charles married, 17 Aug 1813, in Warren County, KY to Frances "Franky" Berry who died prior to 1830. She, the daughter of Enock Berry, a Revolutionary soldier (his will, 1821 or 1822, Butler Co. KY).

Though the worksheets of this family show no proofs, the contents could be helpful for further research areas. A great deal of the information appears to come from Edward M. Manley of Los Angeles, CA. Mr. Manley died in 1971 and Mrs. King seemed to cease further work on this family after that date.

Mrs. King's work seems to suggest that the line is:

John Bunch	to VA bef 3 March 1656
John Bunch	b ca 1662/7 VA
John Bunch	b bef 1690 VA
Henry Bunch	b ca 1720 VA
George Bunch	b ca 1765 VA
Charles Bunch	b ca 1792 VA ?
Enock Berry Bunch	b 2 March 1817 KY

Mrs. Alice Parks in her excellent book, "Park/e/s and Bunch on the Trail West", suggests the same line, but does not list any known children of Charles, ca 1792/93. You would be wise to try to obtain a copy of this book. It is a great storehouse of Bunch material. I purchased the 1982 copyright from Mrs. Parks. Her publisher, Gateway Press, may also have it for sale.

I will copy some of the material from Mrs. King's records and send it under separate cover in a few days. Please send any information and your family group sheets so that they may be included with the records of this family. Sharing by so many Bunch researchers have given us the large amount of records now available. Your records filed with what I now have may help another person someday.

Sincerely,

Mary
